Transportation and Public Works - Transit

# CURRENT

- SB 862 (2014) Transit, Affordable Housing, and Sustainable Communities Program provides for proceeds from Cap and Trade auctions to fund the LCTOP program.
- LCTOP provides assistance to transit operators to reduce greenhouse gas emissions and improve mobility.
- LCTOP uses a formula to distribute funds to transit operators with eligible projects throughout the state based on population and revenue.

# PROPOSED

- Request \$383,271 in LCTOP funds that Santa Rosa Transportation and Public Works Department will use to support the operation of Route 1 and Route 2 service instituted as part of CityBus system restructuring.

# RECOMMENDATION

- It is recommended by the Transportation and Public Works Department that Council, by resolution, 1) authorize the Director of Transportation and Public Works or designee to request \$383,271 in Low Carbon Transit Operations Program (LCTOP) funds to assist in operating the improved service on Routes 1 and 2, in the CityBus system; 2) authorize the Director of Transportation and Public Works or designee to execute all other documentation, including the certifications and assurances documents; 3) authorize the Mayor to execute the authorized agent form; and 4) authorize the Chief Financial Officer to increase appropriations in revenue and expenditures by the approved grant award.
