- B. In general, the Program will provide focused, comprehensive homeless services that help reduce homelessness amongst women.
- C. City wishes to fund the Program, using Local Funds.
- D. The parties have negotiated upon the terms pursuant to which Contractor will administer and conduct the Program and City will fund the Program and have herein reduced such terms to writing.

AGREEMENT

Contractor shall, in a manner satisfactory to City, and consistent with 24 CFR 570, Subpart C - Eligible Activities, and 2 CFR 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, perform the scope of services described in **Exhibit A** (Scope of Services). Contractor is required to report deviations from budget or Scope of Services as per 2 CFR 200.308 - Revision of Budget and Program Plans.

2. TERM OF AGREEMENT

The term of this Agreement shall commence on July 1, 2026 and shall continue in effect until June 30, 2027.

3. GRANT

- B. Payments by City to Contractor shall be made quarterly in arrears based on the Budget in Exhibit B and upon the proper documentation of expenditures. On or before October 15, January 15, April 15, and July 15, Contractor shall submit an invoice to City for the prior quarter. The Director of Housing and Community Services (Director) or their designee will review each invoice and may deny reimbursement where: 1) an expenditure is questionable or improperly documented; or 2) where Contractor has not provided Program services. Invoices submitted after 30 days shall include acceptable written justification for the delay.
- C. In the event that the Director determines that Contractor is not fully providing the Program services identified in **Exhibit A**, he shall have the right to reduce the grant award, unless the failure to provide services is beyond Contractor's control. The exercise by the Director of City's rights under this provision shall not be construed as a waiver by City of any other right or remedy.

4. INSURANCE

Contractor shall maintain in full force and effect all of the insurance coverage described in, and in accordance with **Attachment One** (Insurance Requirements) which is attached hereto and hereby incorporated and made part of this Agreement by this reference. Maintenance of the insurance coverage as set forth in **Attachment One** is a material element of this Agreement and a material part of the consideration provided by Contractor in exchange for City's agreement to make the payments prescribed hereunder. Failure by Contractor to (i) maintain or renew coverage, (ii) provide City notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by City as a material breach of this Agreement by Contractor, whereas City shall be entitled to all rights and remedies at law or in equity, including but not limited to immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Contractor to maintain required insurance coverage shall not excuse or alleviate Contractor from any of its other duties or obligations under this Agreement. In the event Contractor, with approval of City pursuant to Section 9 below, retains or utilizes any subcontractors in the provision of any services under this Agreement, Contractor shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverage requirements set forth in the Insurance Requirements in **Attachment One**.

If there is a possible obligation to indemnify, Contractor’s duty to defend exists regardless of whether it is ultimately determined that there is no obligation to indemnify.

6. INDEPENDENT CONTRACTOR

The parties intend that Contractor, in performing services herein specified, shall act as an independent contractor and shall have control of its work and the manner in which it is performed. It shall be free to contract for similar services to be performed for other employers while it is under contract with City. For breach or violation of this warranty, City shall have the right to rescind this Agreement without liability or, at its discretion, reduce the grant award under this Agreement, or otherwise recover the full amount of such fee, commission, percentage brokerage fee, gift or contingent fee.

having a cost in excess of \$300.00 and a usable life of one year or more shall revert back to City, at the sole discretion of the City. Contractor shall fully cooperate with City following termination, expiration, or discontinuance to ensure that all fixed assets are transferred and delivered in a prompt and timely manner in order to minimize disruption to services.

- C. Publication rights to any documents or materials produced are to be reserved by City.
- D. Both written and oral releases are considered to be within the context of publication. However, there is no intention to limit discussion of the Program with small technical groups or lectures to employees or students. Lectures to other groups which describe the Program but disclose neither data nor results are permissible without advance approval.
- E. HUD reserves a royalty-free nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use the work developed pursuant to this Agreement, for governmental purposes.

15. PROGRAM MONITORING AND EVALUATION

- A. Contractor shall undertake continuous quantitative and qualitative evaluation of the Scope of Services and shall make written quarterly reports to City utilizing the Quarterly Status Report form in **Exhibit C**.

Contractor shall not assign any rights or duties under this Agreement to a third party without the express written consent of City.

17. MODIFICATION

18. TERMINATION OF AGREEMENT

- A. City may terminate this Agreement for convenience upon ten (10) days' written notice to Contractor. Upon such notice, Contractor shall immediately suspend all services under this Agreement.
- B. City may terminate this Agreement immediately for cause, which shall include as example but not as a limitation:

- C. In connection with the provisions of subsections A and B, above, Contractor understands that City has based its overall allocation of funds to Contractor on the basis of current budgeting requirements. It is therefore agreed that during the term of this Agreement, should all or any part of the funding available to City be reduced in any amount whatsoever, or should be faced with unusual or unexpected natural, social, political or financial events which diminish City's ability to fund agreements with Contractor and other recipients, or which events generate additional needs in the community, then City shall have the right to review and reallocate the amount of funding to be advanced to Contractor under this Agreement. On any of the occurrences described above, City may terminate all or any part of the remaining funding due to Contractor under this Agreement. City shall have the sole discretion to determine whether there is a need to reallocate or terminate funding to Contractor, as well as the

sole discretion to determine the amount of the reduction and reallocation.

- D. Should such a reduction in funding occur, City shall notify Contractor as soon as reasonably practicable after City has made the determination of the need to reconsider its funding allocation. Should there be a modification of this Agreement, the modification shall take effect upon notice from City to Contractor in writing. All other terms and conditions of the Agreement shall remain in effect.
- E. In no event shall City be obligated to fund any part of this Agreement from City's own financial resources.

1. HMIS Good Standing: Good Standing is defined as timely data entry as well as complete and accurate data reflective of the Participant’s status at Intake, Update, and Exit, as defined by the prevailing HMIS Data Standards.
 - a. Timely data entry: Unless otherwise approved in writing and attached to this Agreement, entry of data into EtO HMIS within five (5) business days of the event that generated the data collection (i.e., Participant Intake, Entry, Update, and/or Exit from the Program) is required. These Executive Orders state that program participants shall take affirmative action to encourage participation by businesses owned and operated by minority groups and women.

Section 8. Drug Free Workplace

Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on Contractor's premises. Contractor agrees that any violation of this prohibition by the Contractor, its employees, agents or assigns will be deemed a material breach of this Agreement.

Section 9. Remedies for Noncompliance

- A. If Contractor materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, a notice of award, or elsewhere,

City may take one or more of the following actions, as appropriate in the circumstances, and as per 2 CFR 200.338-200.342 - Remedies for Noncompliance:

1. Temporarily withhold cash payments pending correction of the deficiency by Contractor or more severe enforcement action;
 2. Disallow (that is, deny both use of funds and matching credit for all or part of the cost of the activity or action not in compliance);
 3. Wholly or partly suspend or terminate the current award for Contractor's Program;
 4. Withhold further awards for the Program; or
 5. Take other remedies that may be legally available.
- B. HEARINGS, APPEALS: In taking an enforcement action, City will provide Contractor an opportunity for such hearing, appeal or other administrative proceeding to which the Contractor is entitled under any statute or regulation applicable to the action involved.
- C. EFFECTS OF SUSPENSION AND TERMINATION: Costs incurred by Contractor during a suspension or after termination of an award are not allowable unless City expressly authorizes them in the notice of suspension or termination or subsequently. Other Contractor costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
1. The costs result from obligations which were properly incurred by Contractor before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and
 2. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.
- D. RELATIONSHIP TO DEBARMENT AND SUSPENSION: The enforcement remedies identified in this section, including suspension and termination, do not preclude Contractor from being subject to 2 CFR part 2424 (see 24 CFR §85.35).
