**Re: Radiant Farm, Inc. - Application for Conditional Use Permit
Cannabis Manufacturing – 1821 Empire Industrial Ct., Suite G
File No.: CUP 18-095**

Dear Chair Edmondson, Vice Chair Weeks , Honorable Commissioners and Staff:

Our office is pleased to represent Radiant Farm, Inc. On behalf of our client, we ask you to support the recommendation of your planning department to approve a Conditional Use Permit for commercial Cannabis Manufacturing, Level 1 (non-volatile), and Cannabis Manufacturing, – Level 2 (volatile) uses at 1821 Empire Industrial Ct., Suite G.

As the staff report highlights, the project will result in no nuisance or negative impact to the surrounding neighborhood, and will contribute positively to Santa Rosa's economic vitality by creating new jobs and sales tax revenues.

We would also like to take this opportunity to invite you to tour the facility and answer any questions that you may have.

Thank you for your service to our community.

Sincerely,

DICKENSON, PEATMAN & FOGARTY

Erin B. Carlstrom
