

Attachment 9 General Plan Affordable Housing Policies

H-C-4 Utilize the Santa Rosa Housing Trust to maximize and leverage available federal, state, and local funding to assist in the development of affordable housing, the preservation and rehabilitation of low-income housing, the development and maintenance of homeless shelters, and the acquisition and development of facilities for the physically and developmentally disabled.

H-C-5 Continue to provide funding for affordable housing projects, particularly if a portion of the project units are targeted to extremely low-income households.

H-C-6 Facilitate higher-density and affordable housing development in Priority Development Areas (PDA), which include sites located near the rail transit corridor and on regional/arterial streets for convenient access to bus and rail transit. Implement existing PDA specific plans—the Downtown Station Area Specific Plan and the North Santa Rosa Station Area Specific Plan—and develop new plans, such as the Roseland Specific Plan, to encourage the development of homes that have access to services and amenities.

H-C-8 Support affordable housing sponsors by continuing to provide funds to subsidize the production of affordable housing.

H-C-10 Aggressively participate in available federal, state, and private non-profit programs for the provision of affordable housing.

H-C-13 Encourage the development of units with three or more bedrooms in affordable housing projects.

H-C-15 Encourage new affordable housing development to provide amenities for residents, such as on-site recreational facilities, children's programs (day care or after-school care), and community meeting spaces.
