BACKGROUND: The issuance of tax exempt, private activity bonds must be approved by the jurisdiction the project is located following a public hearing. Santa Rosa Boyd, LP ("Borrower") has selected the California Municipal Finance Authority ("CMFA"), a joint-powers authority of which the City is a member, to be the issuer of multifamily housing revenue bonds for Boyd Street Family Apartments, 46 rental units, located at 811 Boyd Street (the "Project"), in an amount not to exceed \$20 million, and has requested that the City Council conduct a public hearing in accordance with the Tax Equity and Fiscal

Responsibility Act of 1983 (“TEFRA”). A public hearing is required to provide a reasonable opportunity for interested individuals to express their views, orally or in writing, on the proposed issue of bonds and the location and nature of the proposed project to be financed. This Item relates to the Council’s goal to meet housing needs by supporting production of new affordable housing.

Pursuant to State Government Code 65863.7 and Santa Rosa City Code 20-28.100.J, the report discusses the impact of the closure upon the prior residents of the Park and the availability of adequate replacement housing in nearby mobile home parks. It also proposes mitigation measures to provide assistance to those households whose mobile homes were destroyed, defines who is eligible for assistance, and when assistance will be provided.
