Significant Amendment/Modification, defined as follows:

Changes of a sufficient nature to the rent or admissions policies, or the organization of the waiting list not required by federal regulatory requirements which would result in a change to the Annual Agency Plan, unless the change is a result of a circumstance identified by HUD for special intervention.

(b) The PHA must submit its Deconcentration Policy for Field Office Review.

Deconcentration Policy is specific to income-mixing in Public Housing developments. As such, this section is not applicable to City of Santa Rosa Housing Authority; however, information regarding the Housing Authority’s efforts to deconcentrate poverty are available in the Housing Authority’s annual SEMAP report and are evidenced by the 5-point Deconcentration bonus the Housing Authority receives annually in the SEMAP scoring.

(c) If the PHA answered yes for any element, describe the revisions for each element below:

Housing Needs

According to 2010 census data, the City of Santa Rosa has a population of 167,207 comprising approximately 62,565 households. Of these households, 25 percent are considered very low income (this figure also includes the extremely-low income category), 18 percent are low-income, 20 percent are moderate income, and 37 percent are above moderate income. Forty-five percent of households are renter-occupied and approximately 45 percent of these households are cost burdened, paying more than 30 percent of household income for housing costs (*Source: City of Santa Rosa Consolidated Plan 2014-2019*).

Extremely low-income households with and without children are at high risk of becoming homeless due to limited income or extreme housing cost burden. There is a shortage of affordable housing in Santa Rosa that increases the risk of homelessness for extremely low-income individuals and families. Of the 2,996 homeless individuals identified in the Sonoma County 2018 Point-in-Time Count, 64 percent were unsheltered. Forty-four percent of homeless individuals reported a disabling condition. (Disabling condition is defined as a physical disability, mental illness, chronic depression, alcohol or drug abuse, chronic health problems, HIV/AIDS, Post-Traumatic Stress Disorder, or a developmental disability.) Of those who reported a disability, a full 35 percent reported current psychiatric or emotional conditions. When questioned, 72 percent of respondents listed the number one obstacle to permanent housing as inability to afford rent (*Source: Sonoma County 2018 Homeless Census & Survey Executive Summary*).

Since the publication of the City of Santa Rosa Consolidated Plan 2014-2019, the area experienced devastating wildfires. On the evening of October 8, 2017, the Pocket, Tubbs, and Nuns fires caused the loss of 2,904 housing units in the City of Santa Rosa. The effects of these wildfires continue to be felt by Santa Rosa residents. Historically high rents and low housing inventory, when combined with the loss of housing from the disaster, has created a desperate situation for many residents. To dissuade price-gouging by unscrupulous property owners, the Council of the City of Santa Rosa passed an urgency ordinance prohibiting landlords from raising rents above 10% of pre-fire amounts. This ordinance is expected to remain in effect until at least October 2019. The Housing Authority is participating in disaster recovery through the establishment of a Limited Preference specifically for those who were impacted by the 2017 wildfires. Eligible families and individuals are referred to the PHA through Rebuilding Our Community (ROC) Sonoma County, a Voluntary Organization Active in Disaster (VOAD). The Housing Authority sits on the ROC Housing Committee.

Strategies for Addressing Housing Needs

To address the Housing Needs in the City of Santa Rosa, the PHA will:

- Maintain Housing Choice Voucher program lease up rates by establishing payment standards that enable families to rent throughout the jurisdiction
- Encourage owner participation in the Housing Choice Voucher program throughout the City, with an emphasis on those areas outside of minority and poverty concentration
- Apply for additional Housing Choice Vouchers should they become available, including special-purpose vouchers
- Pursue housing resources outside of the Housing Choice Voucher program

	<ul style="list-style-type: none"> <li>• Leverage affordable housing and public service resources in the community, including HOME and CDBG funds, through the creation of mixed-finance housing and services for those who are homeless or at risk of becoming homeless</li> <li>• Exceed minimum targeting requirements for families at or below 30% of Area Median Income in tenant-based Housing Choice Voucher assistance</li> <li>• Open the Housing Choice Voucher program Waiting List at 2-year intervals (next opening May of 2020), emphasizing outreach efforts to minority populations</li> <li>• Target Project-Based Voucher assistance to special needs populations in order to leverage additional housing resources for these populations, including the elderly, disabled and homeless Veterans</li> <li>• Conduct activities to affirmatively further fair housing, including encouraging Housing Choice Voucher holders to rent units outside of areas of poverty and minority concentration</li> <li>• Continue to administer Limited Preference for homeless individuals and families who are referred by a Housing First agency</li> <li>• To specifically address the special needs of those impacted by the 2017 wildfires, the City of Santa Rosa, in collaboration with Sonoma County, FEMA, and various non-profit affiliates, created Rebuilding Our Community (ROC) Sonoma County, a collaborative network to address the long-term recovery needs related to the 2017 fires. ROC Sonoma County focuses on identifying and assisting individuals and families who do not have adequate personal resources for basic needs as a result of the 2017 Sonoma County fires.</li> </ul> <p><u>Deconcentration &amp; Other Policies that Govern Eligibility, Selection, and Admission:</u> The City of Santa Rosa Housing Authority is partnering with homeless services agencies and established a limited preference for homeless families who are currently receiving services from Housing First agencies. In addition, The City of Santa Rosa Housing Authority partnered with Rebuilding Our Community (ROC) Sonoma County and established a limited preference for families who were directly impacted by the 2017 wildfires.</p> <p><u>Significant Amendment/Modification:</u> The City of Santa Rosa Housing Authority partnered with Rebuilding Our Community (ROC) Sonoma County and has established a limited preference for individuals and families who were directly impacted by the 2017 wildfires.</p>

The Housing Authority has partnered with the Community Development Commission of Sonoma County to form a joint Program Coordinating Committee (PCC), which provides oversight for both FSS programs and links participants directly to local resources for money management, home ownership, small business development and other supportive services.</p> <p>The PHA has established two Limited Preferences on the waitlist, one specifically for homeless families working with Housing First agencies, and the other dedicated to those directly impacted by the October 2017 wildfires in Sonoma County. Both programs work in collaboration with local nonprofit organizations, allowing the Housing Authority access to those families who are most in need.</p> <p>The PHA is participating in HUD’s Uniform Physical Condition Standards for Vouchers (UPCS-V) pilot program.
