

CITY ATTORNEY'S OFFICE DEPARTMENT ASSESSMENT - FALL 2025 CSRO001 Proposal November 14, 2025

Inspiring Excellence in Leaders and Organizations

The Centre's purpose is to advance the public good by inspiring excellence in leaders at all levels in community-serving organizations – public sector, nonprofit, education, and healthcare – and by helping them positively affect people's lives. Since 1993, The Centre has partnered with hundreds of such organizations to drive important outcomes. We look forward to working with you on this important work.

SCOPE

The City of Santa Rosa has requested The Centre for Organization Effectiveness to provide consulting services in the form of a departmental assessment for the City Attorney's Office. The assessment will focus on evaluating departmental structure and staffing levels to identify opportunities for operational efficiencies in process improvements. Analysis will include comparisons to other comparable City Attorney Offices, staffing models, and work processes.

This project will be conducted in two phases, and will include the following services:

Phase One: Analysis & Recommendations

- Intake and Planning Meetings
 - Ongoing meetings with leadership to define project objectives, inform approach, and generate findings and recommendations
- Review Organizational Data
 - Review organizational data (e.g., organizational charts, staffing plans, budget, city charter, code of ordinances, other key departmental documents) along with research of public data for comparative analysis with other city attorney offices
- Data Collections
 - Collect data from key internal stakeholders (e.g., interviews, focus groups) to gather qualitative data on processes, workflows, and operational challenges
- Benchmarking Analysis
 - Research to draw comparisons from comparable cities for staffing levels, organizational structures, and budget allocations
- Analysis & Report Development
 - Synthesize data and interview findings to develop recommendations for staffing, structure, and operational improvements, including identification of relevant KPIs to monitor performance
- Travel – One Trip

Phase Two: Implementation

- Ongoing Meetings with Leadership

- Ongoing meetings with leadership to strategize on integration of assessment findings and recommendations (e.g., regular joint meetings with leadership team to support accountability and implementation of recommendation)
- Department Workshops
 - Design and facilitation of two, in-person department workshops
 - AM: Align leadership on standards, deliverables, and performance metrics
 - PM: Focused strategy sessions with project leads to operationalize performance improvement recommendations
- Travel – Two Trips

Optional Services:

- Ongoing Implementation/Strategy Support – up to 10 hours
 - Additional coaching and thought partnership to support implementation of recommendations
- Additional Stakeholder Data Collection & Analysis
 - Additional data collection from external stakeholders (e.g., interviews, surveys) to support a comprehensive understanding of departmental operations and opportunities to improve/align service delivery
