Source documentation includes copies of all awards, applications, approved modifications, financial records and narrative reports.

5. Submit to the City at such times and in such forms as the City may require, such statements, records, reports, data, and information pertaining to matters covered by this Agreement.

b. Records of Grantee.

1. Grantee shall maintain records of all matters related to this Agreement including, but not limited to, books, financial records, supporting documents, statistical records, personnel records, property records, and all other pertinent records sufficient to reflect properly:

d. Audits. If the City determines, from review of any progress report, inspection of records or any other source, that there is a problem or discrepancy regarding Grantee's compliance with the terms and conditions of this Agreement, including but not limited to the Budget, then the City shall, in its sole discretion, have the right to require an audit relating to the Program and Grantee's compliance hereunder. In the event the City elects to require an audit, the City shall notify Grantee and the following provisions set forth below shall apply.

1. Grantee shall enter into an agreement with an outside auditor no later than thirty (30) days from the date of City's notice calling for a financial audit of Grantee hereunder. The written agreement may be in the form of an engagement letter prepared by the auditor and approved by Grantee. An amount equal to the Grantee's estimated cost of an independent audit may be set aside from the Grant Award by the City.

2. Should Grantee not enter into the agreement with an outside auditor or should an audit not be done on a timely basis, the City, at its discretion, may enter into an agreement with an independent auditor to do the audit and utilize Grantee's set-aside funds for the audit.

3. The audit report must be completed and sent to the Director within one hundred and twenty (120) days from City's notice calling for an audit of Grantee. The audit shall conform with generally accepted auditing principles.

4. Grantee shall submit to the City copies of management letters the auditor prepares for the Grantee as a part of the audit engagement.

5. All audits must be done by Certified Public Accountants currently certified to practice in the State of California. Grantee must have proof of current licensing included at the time the audit is submitted to the City. A certification to practice in California must accompany the audit when submitted to the City.

6. If the result of any such audit shows a discrepancy from the Budget or misused funds equal to five percent (5%) or less of the Grant Award, then the cost of the audit shall be borne fifty-fifty (50% by Grantee and 50% by the City). In the event that the result of any such audit shows a discrepancy from the Budget or misused of funds equal to more than five percent (5%) of the Grant Award, then Grantee shall be responsible for the entire cost of the audit.

Notwithstanding the foregoing, the City shall have the right for any reason whatsoever to perform or cause to be performed an independent audit. Such audits may cover programmatic as well as fiscal matters. Grantee will be afforded an opportunity to respond to any audit findings, and have the responses included in the final audit report. Costs of such independent audits shall be borne by the City.

e. Disallowed Costs. Grantee is liable for repayment of disallowed costs as determined by the City. Disallowed costs may be identified through audits, monitoring or other sources.

8. ASSIGNMENT; COLLABORATION WITH SERVICE PARTNER

a. Grantee shall not assign any rights or duties under this Agreement to a third party without the express prior written consent of City, in City's sole and absolute discretion. Grantee agrees that the City shall have the right to approve any and all subcontractors to be used by Grantee in the performance of this Agreement before Grantee contracts with or otherwise engages any such subcontractors.

b. Notwithstanding the foregoing, to the extent set forth and described in the Program, Grantee may work with collaborative service partners, which may include any entity that will share resources that impact the delivery of the proposed services (such as school sites and school districts where services may be provided, as well as other non-profit community service organizations), provided that Grantee shall first enter into a written agreement with any collaborative partner ("Service Partner Agreement") in the form attached as Exhibit J and further provided that Grantee shall assure that any service partner comply with the requirements prescribed in the Service Partner Agreement.

9. RELATIONSHIP OF PARTIES

It is understood and agreed by and between the parties that Grantee in the performance of this Agreement, shall not act nor is it at any time authorized to act, as the agent or representative of the City in any matter. Grantee further agrees that it will not in any manner

hold itself out as the agent or representative of the City or act in such a fashion as would give the impression to a reasonable person that Grantee is acting in such a capacity.

10. INDEMNITY

Grantee shall, to the fullest extent permitted by law, indemnify, protect, defend and hold harmless City, and its employees, officials and agents (“Indemnified Parties”) from all claims, demands, costs or liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, interest, defense costs, and expert witness fees), that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Grantee, its officers, employees, agents or volunteers, in the performance of services related to this Agreement, excepting only liability arising from the sole negligence, active negligence or intentional misconduct of City. If there is a possible obligation to indemnify, Grantee’s duty to defend exists regardless of whether it is ultimately determined that there is no obligation to indemnify. The existence or acceptance by City of an of the insurance policies or coverages described in this Agreement shall not affect or limit any of City’s rights under this Section 10. This Section shall survive expiration or sooner termination of this Agreement.

11. INSURANCE

a. Grantee shall maintain in full force and effect all of the insurance coverage described in, and in accordance with the Insurance Requirements attached as Exhibit F. Maintenance of the insurance coverage set forth in Exhibit F is a material element of this Agreement and a material part of the consideration provided by Grantee in exchange for City’s agreement to make the payments prescribed hereunder. Failure by Grantee to (i) maintain or renew coverage, (ii) provide City notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by City as a material breach of this Agreement by Grantee, whereupon City shall be entitled to all rights and remedies at law or in equity, including but not limited to immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Grantee to maintain required insurance coverage shall not excuse or alleviate Grantee from any of its other duties or obligations under this Agreement. In the event Grantee, with approval of City pursuant to Section 12 below, retains or utilizes any subcontractors in the provision of any services to City under this Agreement, Grantee shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverages set forth in the Insurance Requirements in Exhibit F.

b. Grantee agrees that any available insurance proceeds broader than or in excess of the coverages set forth in Exhibit F shall be available to the additional insureds identified therein.

c. Grantee agrees that the insurance coverages and limits provided under this Agreement are the greater of: (i) the coverages and limits specified in Exhibit F, or (ii) the broader coverages and maximum limits of coverage of any insurance policy or proceeds available to the name insureds.

12. INDEPENDENT CONTRACTOR

a. It is understood and agreed that Grantee (including Grantee's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither Grantee nor Grantee's assigned personnel shall be entitled to any benefits payable to employees of City. City is not required to make any deductions or withholdings from the Grant Award. As an independent contractor, Grantee hereby agrees to indemnify and hold City harmless from any and all claims that may be made against City based upon any contention by any of Grantee's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any services under this Agreement.

b. If, in the performance of this Agreement, any third persons are employed by Grantee, such persons shall be entirely and exclusively under the direction, supervision, and control of Grantee. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by Grantee. It is further understood and agreed that Grantee shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of Grantee's assigned personnel and subcontractors.

c. The provisions of this Section 12 shall survive any expiration or termination of this Agreement.

13. TIME OF PERFORMANCE, SUSPENSION, TERMINATION

a. City shall have the right at any time to temporarily suspend Grantee's performance hereunder, in whole or in part, by giving a written notice of suspension to Grantee. If City gives such notice of suspension, Grantee shall immediately suspend its activities under this Agreement, as specified in such notice.

b. Notwithstanding anything to the contrary in this Agreement, Manager may at any time in his absolute discretion, with or without prior notice to Grantee, suspend or terminate payment to Grantee, in whole or in part, terminate services or expenditures by Grantee, terminate this Agreement, or take any other action available to City in the event of any of the following occurrences:

1. If Grantee (with or without knowledge) made any material misrepresentation of any nature with respect to any information or statements furnished to City in connection with this Agreement;
2. If there is pending litigation with respect to the performance by Grantee of any of its duties or obligations under this Agreement which may materially jeopardize or adversely affect the undertaking of or the carrying out of the Program;
3. If Grantee, without having obtained City approval, has taken any action pertaining to the Program, which requires City approval;

4. If Grantee makes improper use of the Grant Award;
5. If Grantee fails to comply with any of the terms and conditions of this Agreement including without limitation, Grantee's failure to carry out the Program or comply with any of the terms as described in Exhibits A through N, inclusive;
6. If Grantee submits to City any report which is incorrect or incomplete in any respect, or is untimely.

c. This Agreement may be terminated by either party by giving thirty (30) days' notice to the other in writing of its intent to terminate the Agreement. Upon such notice, Grantee shall cease any further services related to this Agreement.

d. Nothing in this Agreement shall be deemed to be a waiver of the City's right to recover from Grantee any portion of the Grant Award that has not been spent in accordance with this Agreement or that has not been spent as of the date of notice of suspension or termination under this Section. The exercise by the Manager of the City's rights under this Section shall not be construed as a waiver by City of any other right or remedy.

14. STANDARD OF PERFORMANCE/CERTIFICATIONS AND ASSURANCES

a. Grantee shall perform all services performed under this Agreement in the manner and according to the standards currently observed by a competent practitioner of Grantee's profession in California. Grantee shall assign only competent personnel to perform services under this Agreement. Grantee shall notify City in writing of any changes in Grantee's staff assigned to perform the services under this Agreement prior to any such performance. In the event that City, at any time, desires the removal of any person assigned by Grantee to perform services under this Agreement, because City, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, Grantee shall remove such person immediately upon receiving notice from City of the desire of City for the removal of such person.

b. By executing this Agreement, Grantee makes the Certification and Assurances set forth in Exhibit E.

15. CONFLICTS OF INTEREST

Grantee covenants that neither it, nor any officer or principal of its corporation, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of City or that would in any way hinder Grantee's performance of services under this Agreement. Grantee further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of City. Grantee agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City at all times during the performance of this Agreement.

16. CONFIDENTIALITY OF CITY INFORMATION

During performance of this Agreement, Grantee may gain access to and use City information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that are valuable, special and unique assets of the City. Grantee agrees to protect all City Information and treat it as strictly confidential, and further agrees that Grantee shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of City. In addition, Grantee shall comply with all City policies governing the use of the City network and technology systems. A violation by Grantee of this Section 16 shall be a material violation of this Agreement and shall justify legal and/or equitable relief.

Grantee shall maintain the confidentiality of information gathered and all records generated under this Agreement pursuant to applicable Federal and State laws, subject, however, to reports to child abuse reporting agencies required by law.

17. MISCELLANEOUS
