15. REPORT ITEMS

15.1 REPORT - AMENDMENT TO THE MEASURE O IMPLEMENTATION PLAN FOR ALL PROGRAMS TO ALIGN WITH FISCAL YEAR 2019-20 ADOPTED BUDGET

BACKGROUND: Ordinance 3680 added Chapter 3-26 to the Santa Rosa City Code establishing a special transactions and use tax. The special tax measure, known as Measure O, increased sales tax by a quarter percent to fund specific Police, Fire, and Gang Prevention/Intervention programs, as set forth in the Ordinance. An Implementation Plan was created on September 21, 2004, by Resolution No. 26069, which outlines the uses and purposes for which the special tax revenues may be used over time. The Implementation Plan has been revised several times since the original plan was adopted in 2004. In order to amend the Implementation Plan, the Ordinance requires six affirmative votes of the Council. On November 10, 2015, the City Council approved a new format for the Implementation Plan, consisting of current and forecast budget amounts for all Measure O programs. This new Implementation Plan forecasts Measure O program budgets through Fiscal Year 2024-25.

RECOMMENDATION: It is recommended by the Finance, Police, Fire,

Recreation and Parks Departments, the Office of Community Engagement and the Measure O Citizens' Oversight Committee that the Council, by Resolution, amend the Transaction and Use Tax Implementation Plan to adjust for Fiscal Year 2019-20 budget and forecasted budget amounts for all Measure O programs.

Presented by Chuck McBride, Chief Financial Officer.

A motion was made by Council Member Sawyer, seconded by Council Member Olivares, to waive reading of the text and adopt:

RESOLUTION NO. RES-2019-083 ENTITLED: RESOLUTION OF THE COUNCIL OF THE CITY OF SANTA ROSA AMENDING THE TRANSACTION AND USE TAX IMPLEMENTATION PLAN FOR POLICE, FIRE AND GANG PREVENTION/INTERVENTION SERVICES

The motion carried by the following vote:

Yes: 6 - Mayor Schwedhelm, Vice Mayor Rogers, Council Member Fleming, Council Member Olivares, Council Member Sawyer, and Council Member Tibbetts

No: 1 - Council Member Combs

15.2 REPORT - AWARD OF PROFESSIONAL SERVICES AGREEMENT WITH COASTLAND CIVIL ENGINEERING, INC. TO PERFORM FIRE CODE PLAN REVIEW AND INSPECTION TECHNICAL ASSISTANCE SERVICES

BACKGROUND: In 2018 after the retirement of our long-time Building Plans Examiner, the Fire Department reclassified the Building Plans Examiner position to a Fire Protection Engineer in an effort to prepare for the increase in technical cannabis operations as well as the redevelopment of the downtown area with the construction of multiple mid-rise and high-rise structures. Unfortunately, we were not successful in our recruitment due to a lack of qualified candidates and thus underfilled the position back to a Building Plans Examiner to allow our Plan Review Division to keep pace with the growing workload. The Fire Department has found it necessary to enter into an agreement with a consultant firm to allow the department the ability to send out a portion of the projects that require longer plan review times. These projects are typically more complex, which affects our ability to meet established turnaround times when keeping them in-house.

RECOMMENDATION: It is recommended by the Fire Department that the Council, by Resolution, approve a Professional Services Agreement with Coastland Civil Engineering, Inc. of Santa Rosa, CA to provide Fire Code plan review and inspection technical assistance services in an amount not to exceed \$800,000.

Presented by Ian Hardage, Assistant Fire Marshal.

A motion was made by Council Member Combs, seconded by Vice Mayor Rogers, to waive reading of the text and adopt:

RESOLUTION NO. RES-2019-084 ENTITLED: RESOLUTION OF THE COUNCIL OF THE CITY OF SANTA ROSA APPROVING A PROFESSIONAL SERVICES AGREEMENT WITH COASTLAND CIVIL ENGINEERING, INC. FOR FIRE CODE PLAN REVIEW AND INSPECTION TECHNICAL ASSISTANCE SERVICES

The motion carried by the following vote:

Yes: 7 - Mayor Schwedhelm, Vice Mayor Rogers, Council Member Combs, Council Member Fleming, Council Member Olivares, Council Member Sawyer, and Council Member Tibbetts

15.3 REPORT - AMEND URGENCY ORDINANCES RESILIENT CITY (-RC) COMBINING DISTRICT

BACKGROUND: Due to high volumes of construction activity within the rebuilding areas and the impacts created by locally sourced materials such as concrete, the construction community has found it difficult at times to maintain a strict adherence to set construction schedules. The first year of the rebuild has shown that concrete pours for foundations may need to occur prior to 7:00 a.m. during times of significant regional concrete demand. Additionally, exterior activities such as framing may need to occur in the evening or early morning hours to reduce heat exposure during high temperature events. PED is requesting that the City Manager, or his or her designee, be granted the authority to extend the construction hours from 7:00 a.m. to 7:00 p.m. Monday through Saturday to 5:00 a.m. to 9:00 p.m., Monday through Friday, when it is determined that certain activities are critical to an expedient rebuild must occur outside of the standard hours.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council adopt an urgency

ordinance, by five affirmative votes, to amend Section 20-28.100 of the Santa Rosa City Code, -RC Combining District, to exempt construction activities associated with the rebuilding efforts from adherence to the City's Noise Ordinance as described in Chapter 17-16 of the City Code and establish specific construction hours that may be modified by the City Manager when needed to support a timely rebuilding process.

Presented by Bill Rose, Supervising Planner; Gabe Osburn, Deputy Director of Development Services; and Bob Oller, Development Review Coordinator.

16. PUBLIC HEARINGS

- 16.1 PUBLIC HEARING - (CONTINUED FROM MAY 7 AND MAY 28th, 2019, REGULAR MEETING) ROSELAND VILLAGE MIXED USE PROJECT. APPEAL OF PLANNING COMMISSION ACTION ON THE TENTATIVE MAP AND DENSITY BONUS FOR THE PLANNED ROSELAND VILLAGE MIXED USE PROJECT LOCATED AT 665 & 883 SEBASTOPOL ROAD, SANTA ROSA ASSESSOR'S PARCEL NUMBERS 125-101-031 & 125-111-037. FILE NUMBER: PRJ17-075; MAJ17-006; DB19-001**

BACKGROUND: On February 28, 2019, the Planning Commission approved the Roseland Village Tentative Map and Density Bonus by voting 6 ayes, 0 noes, and 1 absent. The Tentative Map would subdivide a 7.41-acre site into five lots, require subdivision infrastructure improvements, and establish public and private street circulation to accommodate the planned future development of three apartment buildings with 175 units, including 75 affordable units, a 25,000 square foot civic building, a 5,000 square foot market place, and a 1-acre public plaza. The Density Bonus allows a 34% increase in residential density and three incentives/concessions which allow phased development of the affordable units within a separate apartment building, and grant an 18 percent parking reduction. The planned Roseland Village Mixed Use project including Design Review of individual buildings and the plaza within Roseland Village will occur at a future date to be determined. The appeal asserts the Planning Commission's action is contrary to a private easement in that the approved Tentative Map eliminates access across the back of the neighboring Roseland Village Shopping Center; the Density Bonus allows housing units which is contrary to the private recorded easement and is against requirements affordable housing be incorporated within and constructed simultaneously; and the project will eliminate over 270 currently available parking spaces to 70 spaces. PRJ17-075; MAJ17-006, DB19-001.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by two resolutions, deny the appeal by Robert Paulsen and uphold the Planning Commission's action approving the Roseland Village Project Tentative Map and Density Bonus.

Presented by Andy Gustavson, Senior Planner; and Gabe Osburn, Deputy Director of Development Services.

Patti Cisco, Chair of the Planning Commission, spoke regarding the approval of the tentative map and density bonus for Roseland Village mixed use project.
