Subject: [EXTERNAL] Dissent comments of a liquor store and extended hours until midnight by MD Liquors for 1478 Guerneville Rd.

Dear highly respected Planning Commission,

I and others that I represent would like to lodge formal opposition to allow MD Liquors occupy 1478 Guerneville Rd for the following reasons:

1.This location is next to a professional business center with medical offices and other professional offices. This store with extended hours is not consistent with the offices in this area.

2.According to police officers that I have conversed with, If they sell alcohol it creates the possibility of increased crime.

3.The SMART train has a busy stop at this location. Having the possibility of increase crime would not be in the best interest of passengers who enter and exit the train especially during the hours when it is dark.

4. There are apartments behind this proposed liquor store that have outside mailboxes that have been vandalized in the past. The type of clientele that a liquor store would bring would increase vandalism. Especially with extended hours.

5.Our office has many patients who enter our building. Many are children. Many are young women. And many are elderly. This type of activity would cause fear and reluctance and inhibit their ability to obtain health care from us.

6.My employees also would not feel safe. In the winter, they arrive and leave when it is dark thus causing apprehension and fear on their part.

7.Parking: Our office has enough parking for patients and staff as well as clients and staff in the other office in my building. It is likely that parking for that store would spill into my parking lot. That would cause an inconvenience and safety issue for my patients to park far away.

8.Currently there are other several stores in the nearby area already providing those goods. There is no benefit to the public to have this store at this location ESPECIALLY if they sell alcohol. In addition, there are already stores in the area selling alcohol, we do not need another.

In conclusion, this store could become another area of possible criminal activity for the police to contend with. Why open up another potential problem for the police?

Sincerely,
Dr.Les Shipley

[EXTERNAL] MD Market

Good Morning Kristinae,

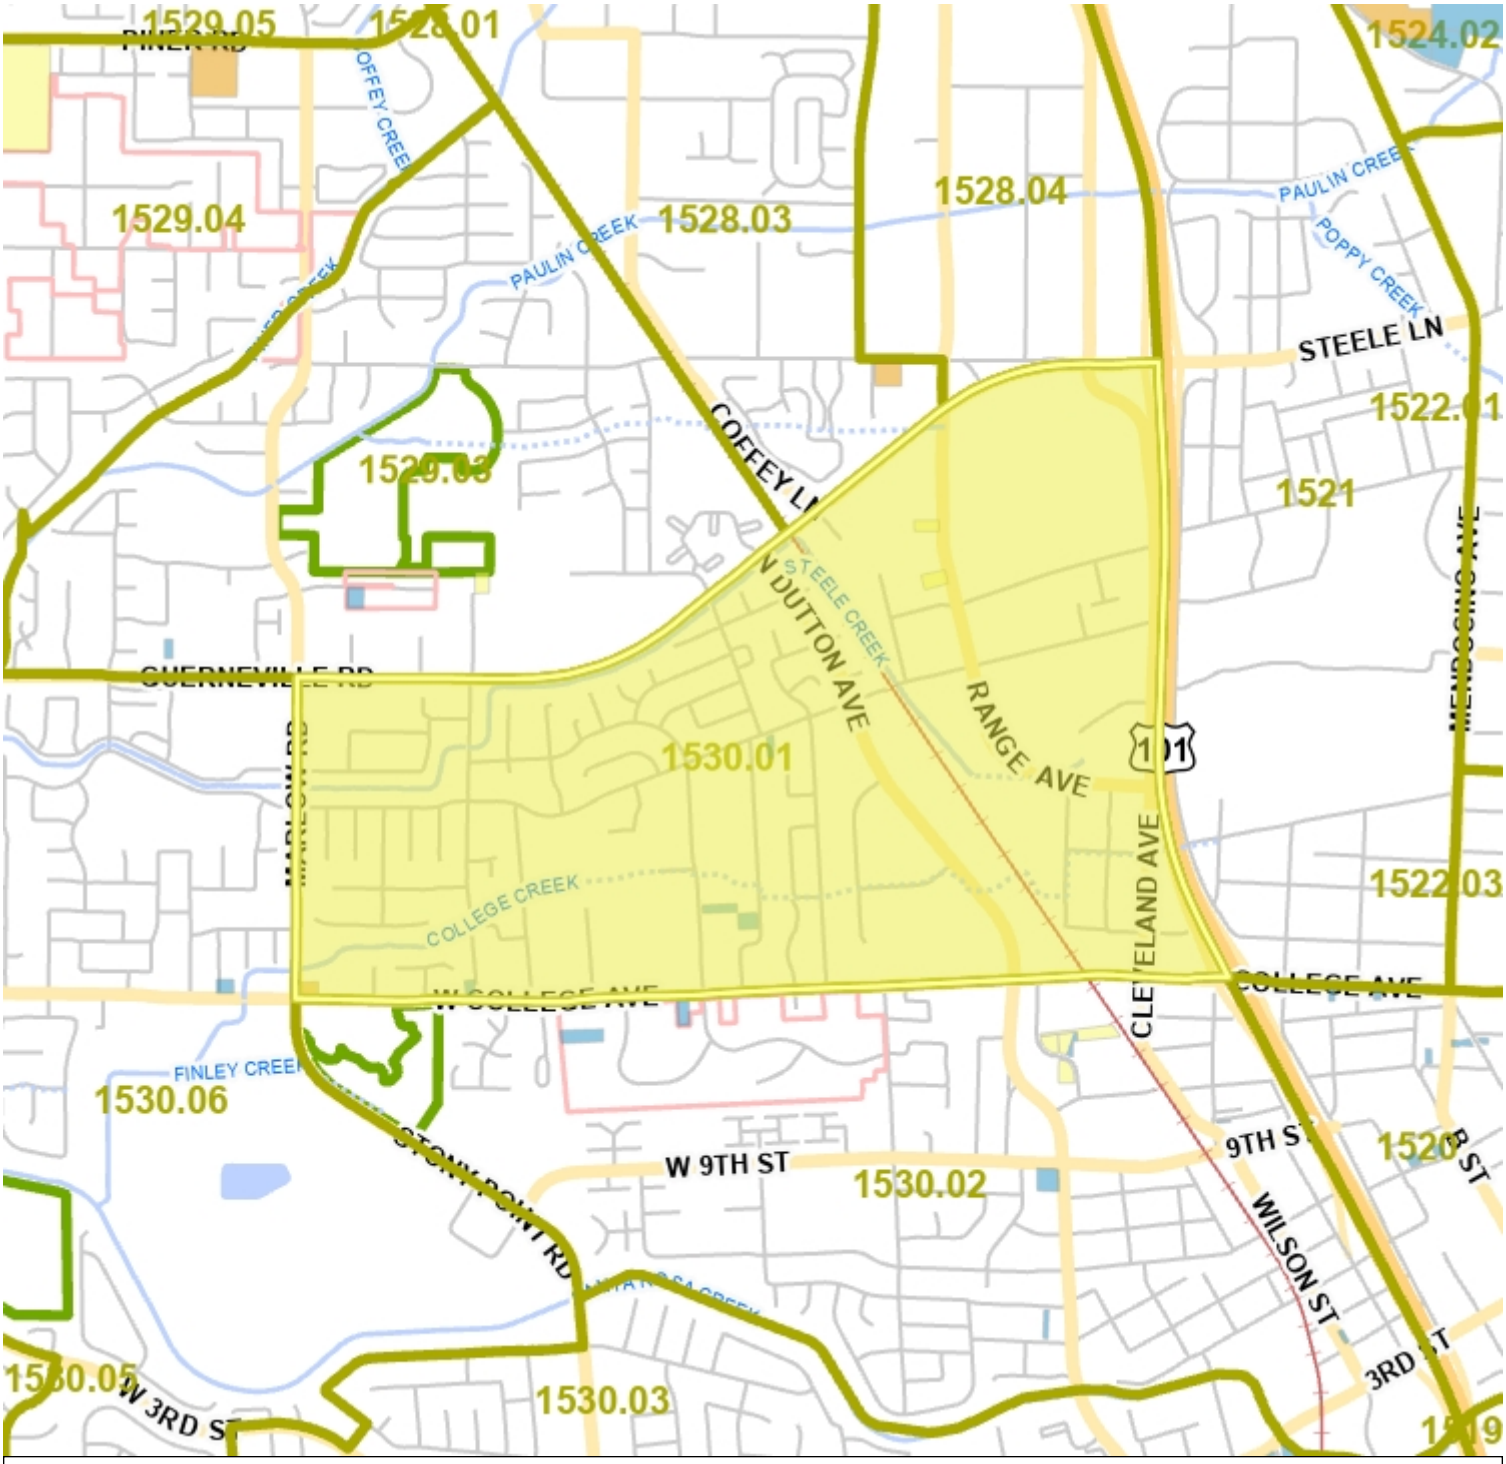

I am writing on behalf of the new MD Market proposal for the 1478 Guerneville Rd location. I personally work(Exchange Bank) and own a home(1470 Tammy Way) less than a mile from the proposed store and am excited to have another option close by for quick groceries, premade lunch, or items needed after some of the general grocery stores are closed. I have gotten to know Mangal and Harman Dhillon over the last decade as a customer at several of their locations over the years, their stores and surrounding areas are always well kept, and they take pride in being members of the community, it will be a nice addition to the area and would be nice to have something in place of the abandoned store front that is currently there, I look forward to welcoming them to my neighborhood!

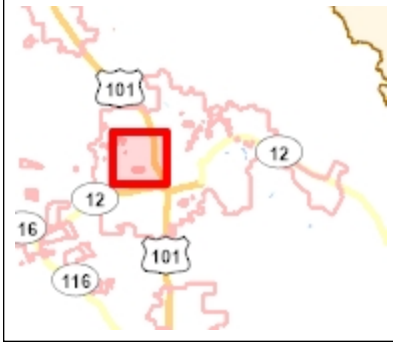

Many thanks,

Yvette Carre
