**TO:** Mayor Bartley and Members of the City Council

**FROM:** Susie Murray, City Planner *JM*

**CC:** Charles J. Regalia, Assistant City Manager  
Clare Hartman, Supervising Planner

**SUBJECT:** Item 13.1 - Calistoga Cottages Appeal and Request for Continuance

On July 7, 2014, an Appeal was filed in opposition to the Planning Commission's actions regarding the Calistoga Cottages General Plan Amendment/Rezoning/Tentative Map project. The appeal is scheduled for consideration on the July 29, 2014 City Council agenda and is identified as Part "1" of the Summer 2014 General Plan Amendment package.

On July 17, 2014, the appellant requested a continuance; they need additional time "to gather information and analyze legal issues." Both the project applicant and City staff concur with the request.

As a result, staff recommends that the City Council, by motion, continue Part "1" of the Summer 2014 General Plan Amendment package to August 26, 2014.
