

Lifeline Transportation Program Funding Request

City Council Meeting
September 1, 2020

Shawn Sosa
Administrative Analyst
Transportation and Public Works - Transit

CURRENT

- The Metropolitan Transportation Commission's (MTC) Lifeline Transportation Program supports projects that address mobility needs in low-income communities
- The program is administered by MTC
- Cycle VI of the program provides funding from Federal Transit Administration Section 5307

PROPOSED

- Request \$203,782 in Section 5307 funds to support the continued operation of Lifeline bus routes in the Roseland area that were supported by previous cycles of the program
- Provide required 50% local match with \$203,782 in Transportation Development Act Article VI funds

RECOMMENDATION

It is recommended by the Transportation and Public Works Department that the Council, by resolution; 1) authorize submittal of a matching grant application to the Metropolitan Transportation Commission Lifeline Transportation Program for Federal Transit Administration Section 5307 funds in the amount of \$203,782 for the proposed “Lifeline Route Operation Funds” project; 2) authorize matching funds from the City of \$203,782; and 3) direct Transit Division staff to forward a copy of this resolution, and such other information as may be required, to Metropolitan Transportation Commission, the Sonoma County Transportation Authority, and such other agencies as may be appropriate.
