- C. Both Grantor and Grantee recognize the expense, time, effort, and risk to both parties in determining the compensation for the Easement by eminent domain litigation. The compensation and terms set forth herein for the Easement is in compromise and settlement, in lieu of such litigation.

In consideration of which, and the other considerations hereinafter set forth, it is mutually agreed as follows:

1. The parties to this Contract shall, pursuant to Section 21.7(a) of Title 49, Code of Federal Regulations, comply with all elements of Title VI of the Civil Rights Act of 1964. This requirement under Title VI and the Code of Federal Regulations is to complete the USDOT-Non-Discrimination Assurance requiring compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R Section 50.3.

2. No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that is the subject of this Contract.

3. Grantor hereby sells to Grantee, and Grantee hereby buys from Grantor, the Easement for the Project, in accordance with the terms and conditions set forth herein. Grantor will grant the Easement to Grantee by a Grant of Easement Agreement substantially in the form attached hereto as Exhibit B and incorporated herein by reference ("Easement Agreement"). In addition, Grantor agrees to execute and provide for Grantee an Encroachment and Maintenance Covenant Agreement substantially in the form attached hereto as Exhibit C and incorporated herein by reference ("Covenant Agreement") regarding the separate, but related, Project -related encroachment sought by Grantee pertaining to Grantor's easement rights arising under that certain Easement Deed recorded on April 20, 2000 as Document Number 2000038311 in the Official Records of Sonoma County.

4. The County shall:

(A) Pay Grantor the sum of \$500.00 for the Easement ("Purchase Price").

(B) Pay all escrow and recording fees incurred in this transaction and, if title insurance is desired by the County, the premium charged therefor.

5. Within ten (10) business days of the Effective Date of this Contract, Grantor shall deposit a fully executed copy of this Contract into escrow. This Contract shall constitute joint escrow instructions; provided however, Grantor hereby authorizes County to prepare and file such additional joint escrow instructions consistent with the provisions of this Contract that are mutually acceptable to both parties. This transaction will be handled by First American Title Company, Leslie Hanes; Escrow/File No. 7186103.

6. It is agreed and confirmed by the parties hereto that notwithstanding other provisions in this Contract, County's right of possession and use of the Easement shall commence upon the Close of Escrow (defined below).

7. For purposes of this Contract, close of escrow ("Close of Escrow") shall be defined as the date that the Easement Agreement is recorded in the Official Records of Sonoma County. Close of Escrow shall occur on a date mutually agreed to by the parties in writing. Close of Escrow shall not occur until completion of the following actions:

(A) Grantor and Grantee execution and delivery of the Covenant Agreement;

(B) Deposit of a fully executed and acknowledged Easement Agreement by Grantor and Grantee; and

(C) Deposit of the Purchase Price by Grantee.

8. The undersigned Grantor hereby agrees and consents to the dismissal of any eminent domain action in the Superior Court related to the Easement described in the Easement Agreement and also waives any and all claims to any money that may now be on deposit in said action.

9. County agrees to indemnify and hold harmless Grantor from any liability arising out of County's acts or omissions under this Contract. County further agrees to assume responsibility for any damages proximately caused by reason of County's acts or omissions under this Contract and County will, at its option, either repair or pay for such damage.

10. This Agreement shall be binding on and inure to the benefit of the respective heirs, successors and assigns of the parties to this Contract.

11. Grantee understands and agree that this Contract is subject to the approval of Grantor's governing body and that this Agreement shall have no force or effect unless and until said approval has been obtained.

12. In the event of a breach of this Agreement, the non-breaching party shall be entitled to pursue any and all remedies available against the breaching party, including without limitation, claims for all damages attributable to the breach, and specific performance of this Contract.

13. This Contract, including all Exhibits, contains the entire agreement between the parties and supersedes whatever oral or written understanding the parties may have had prior to the execution of this Contract. No alteration to the terms of this Contract shall be valid unless approved in writing by the parties.

14. If any portion of this Contract or the application thereof to any person or circumstance shall be held invalid or unenforceable, the remainder of this Contract shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

15. This Contract may be executed in two or more counterparts, each of which will be deemed an original and all of which together constitute one agreement. Counterparts and/or signatures delivered by facsimile, pdf or City-approved electronic means have the same force and effect as the use of a manual signature. Both parties wish to permit this Contract to be electronically signed in accordance with applicable federal and California law. The parties agree that electronic signatures, by their respective signatories are intended to authenticate such signatures and to give rise to a valid, enforceable, and fully effective agreement.

EASEMENT AGREEMENT

THIS EASEMENT AGREEMENT (this “Easement Agreement”) is entered into as of _____, 2025, by and between the City of Santa Rosa, a California charter city and municipal corporation (“Grantor”), and County of Sonoma (“Grantee” or “County”).

RECITALS

A. Grantor is the owner of that certain real property commonly known as Sonoma County Assessor’s Parcel Number 131-150-029, located in the County of Sonoma (the “County”), State of California (the “Grantor Property”).

B. In connection with its 2019 FEMA – Storm Damage Road Restoration Project (“Project”), Grantee requires a 1,511 square foot non-exclusive easement over a portion of the Grantor Property for County roadway and utility purposes.

C. On or about _____, 2025 the parties executed that certain Right of Way Contract pursuant to which Grantor agreed to grant an easement over the Grantor Property to Grantee for the Project, in accordance with and subject to the terms of this Easement Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor and Grantee hereby agree as follows:

1. Grant of Easement. Grantor hereby grants to Grantee a non-exclusive 1,511 square foot easement (the “Easement”) over, under, on, and/or across a portion of the Grantor Property described in **Exhibit A** and depicted on **Exhibit B** (the “Easement Area”) attached hereto and incorporated herein by reference, for roadway and utility purposes and to construct, reconstruct, install, inspect, maintain, replace, remove, repair and use the public facilities (collectively, “Grantee Improvements”) described and depicted on the Project plans dated March _____, 2025 (“Approved Plans”) in accordance with the terms of this Easement Agreement. Grantee shall not use the Easement Area for any purpose that is not specifically allowed in this Easement Agreement, including any change or expansion of Grantee’s use of the Easement Area.

2. Condition, Use, and Maintenance of Easement Area.

(a) As-Is Condition. Grantee has inspected the Easement Area and accepts it in its "As-Is" condition. Grantor makes no representations or warranties whatsoever under this Easement Agreement or otherwise with respect to the physical condition of the Easement Area or the suitability of the Easement Area for the Grantee Improvements or uses permitted under this Easement Agreement. This Easement Agreement is subject to all existing contracts, leases, easements, encumbrances, and claims which may affect the Easement Area (whether or not of record) and nothing in this Easement Agreement shall be construed as a covenant against the existence of any such matters. Notwithstanding, Grantor warrants that as of the date of this Agreement, Grantor has not entered into any oral or written lease that is in effect as to any portion of the Easement Area.

(b) Repair and Maintenance. To the extent caused by Grantee's activities or improvements thereon, Grantee shall repair and maintain the Easement Area together with the Grantee Improvements and any other improvements constructed or installed thereon by Grantee or associated with Grantee's use of the Easement Area, and shall keep the Easement Area and Grantee Improvements in a safe and well-maintained condition. The operation, repair and maintenance of the Easement Area and Grantee Improvements shall be at Grantee's sole cost and expense.

(c) Construction of Improvements and Other Work; Required Permits. Grantee acknowledges that construction or alteration of the Grantee Improvements and any other work to be performed within the Easement Area, other than routine maintenance and emergency repairs of the Grantee Improvements, is subject to the prior written approval of Grantor including, if applicable, the issuance by Grantor or any other governmental agency with jurisdiction over the Easement Area of any permits required in connection with such work. Prior to commencing any work in the Easement Area, other than emergency repairs, Grantee shall provide Grantor with no less than thirty (30) days' prior written notice along with written evidence that Grantee has obtained from any governmental agency with jurisdiction over the Easement Area all permits and other approvals required in connection with such work. In performing any work hereunder, Grantee shall commence and diligently pursue the same to completion and shall maintain the portion of the Easement Area where such work is being performed in a safe, debris-free condition. In the event of emergency repairs, Grantee shall provide verbal and written notice to Grantor as timely as is reasonably possible. Grantee shall conduct all activities in the Easement Area in a safe, prudent, professional, and workmanlike manner.

Notwithstanding the foregoing, Grantor's prior written approval shall not be required for Grantee's initial construction of the Grantee Improvements in accordance with the Approved Plans; provided however, Grantee shall obtain Grantor prior written approval for any material change to the Approved Plans, including any change that may impact the Grantor's water line facilities on the Grantor Property or Grantor's use of the Grantor Property.

(d) Compliance with Laws. Grantee shall comply at Grantee's sole cost and expense, in its use of and activities within the Easement Area, with all applicable laws, statutes, ordinances, codes, rules, regulations, orders, and applicable judicial decisions or decrees, as presently existing and hereafter amended, including but not limited to all applicable regulatory,

environmental and safety requirements, of any federal, state, county, city, local, or other governmental or quasi-governmental authority, entity or body (or any department, agency or other instrumentality thereof), exercising jurisdiction over the Easement Area, and to property and persons on the Easement Area, including those of Grantor that are applicable to the Easement Area. Grantee understands that the Easement Area is encumbered by a Conservation Easement held by Friends of Alexander Valley Hall, a California nonprofit, public benefit corporation (“FAVH”), recorded as Instrument Number 2003106430 in the Official Records of Sonoma County, and a Conservation Easement held by The Sonoma Land Trust, a California nonprofit, public benefit corporation (“SLT”), recorded as Instrument Number 2003106431 in the Official Records of Sonoma County (collectively, the “Conservation Easements”), and agrees to abide by the restrictions on use of the real property contained in the Conservation Easements. The parties agree that FAVH and/or SLT may bring an action directly against the Grantee for violating any of the restrictions on use contained in the Conservation Easements, and the Grantee waives any defense it may have to such enforcement on the grounds of privity of contract.

(e) No Interference with Grantor’s Use. Grantee shall not interfere with the use by, and operation and activities of, Grantor on the Grantor Property, and Grantee shall use such routes and follow such procedures on Grantor Property so as to result in the least damage and inconvenience to Grantor’s use and operation of and activities on the Grantor Property.

(f) No Hazardous Substances. Grantee shall not use, deposit, release, or permit the use, deposit, or release of any Hazardous Substances in the Easement Area or otherwise on the Grantor Property. For purposes of this Easement Agreement, “Hazardous Substances” means any material or substance (i) defined as a “hazardous waste,” “extremely hazardous waste” or “restricted hazardous waste” under Sections 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control law); (ii) defined as a “hazardous substance” under Section 26316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act); (iii) defined as a “hazardous material,” “hazardous substance” or “hazardous waste” under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95, “Hazardous Substance” under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances); (iv) petroleum; (v) asbestos; (vi) polychlorinated biphenyls; (vii) listed under Article 9 or defined as “hazardous” or “extremely hazardous” pursuant to Article 11 of Title 22 of the California Code, Division 1, Chapter 20; (viii) designated as a “hazardous substance” pursuant to Section 311 of the Clean Water Act, 33 U.S.C. § 1251 et seq. (33 U.S.C. § 1321) or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. § 6903); (ix) defined as a “hazardous substance” pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. § 9601 et seq. (42 U.S.C. § 9602); (x) defined as a “hazardous waste” pursuant to the Resource Conservation and Recovery Act. 42 U.S.C. § 6901 et seq. (42 U.S.C. § 6901); or (xi) designated as a “hazardous substance” pursuant to the Toxic Substance Control Act (15 U.S.C. § 2601 et seq.).

(g) Damage to and Repair of Grantor Property. Grantee shall bear all costs to repair any damage to the Grantor Property or any improvements on the Grantor Property now existing or hereafter installed by Grantor, its successor owners, or any other parties having rights over the Grantor Property, to the extent such damage is caused by or attributable to (i) any

construction, maintenance, repair or replacement and any other work by the Grantee Parties (defined below) in connection with this Easement Agreement, (ii) any other acts or omissions of Grantee or any of its contractors, agents, consultants, representatives, officers, employees, invitees, guests, or licensees (collectively, the “Grantee Parties”) or (iii) any exercise of the rights granted herein. Grantee shall promptly repair and restore, at its sole cost and expense, to its previously existing or better condition, the Grantor Property and any improvements now existing or hereafter installed by Grantor, including, but not limited to, roads, utilities, and fences, that may be altered, damaged or destroyed in connection with Grantee’s or any Grantee Parties’ exercise of the Easement or use of the Easement Area.

3. No Liens, Stop Payment Notices, or Other Encumbrances. Grantee shall not directly or indirectly create, or permit to be created or remain, and will discharge promptly (not to exceed 30 days from demand by Grantor), any lien (including, without limitation, mechanic’s liens), encumbrance, stop notice, or charge upon the Grantor Property, arising out of or in connection with Grantee’s or any Grantee Parties’ activities on the Grantor Property, including any activities performed by a contractor or service provider authorized by Grantee to perform work pursuant to Grantee’s rights under the Easement. Grantee acknowledges and agrees that Grantor Property is public property that may not be liened or sold at public auction.

4. Indemnity. To the fullest extent permitted by law, Grantee shall indemnify, defend and hold the Grantor, and its elected and appointed officials, officers, directors, employees, lessees, agents, invitees, and volunteers (collectively, the “Indemnified Parties”) harmless from and against any and all losses, liabilities, damages, claims, demands, obligations, causes of action, proceedings, awards, fines, judgments, penalties, or costs and expenses (including attorneys’ fees and costs, court costs, and other costs and fees of litigation as allowed by law) incurred or suffered by the Indemnified Parties (collectively, “Indemnified Claims”) to the extent caused or claimed to be by, on account of, or arising directly or indirectly from or out of (a) the exercise of the Easement or use or occupancy of the Easement Area by Grantee or any Grantee Parties, however occurring, (b) any breach by Grantee or any Grantee Parties of any of the terms, conditions or provisions in this Easement Agreement, (c) any acts, errors, omissions, negligence, and/or willful misconduct of Grantee or any Grantee Parties with respect to the Easement Area or Grantee Improvements, (d) the injury or death of any person, or injury to property, of any kind wherever located and by whomever owned (including without limitation the Grantor Property and any other property owned by an Indemnified Party), which injury or death arises out of or is attributable to the exercise of the Easement or use or occupancy of the Easement Area by Grantee or any of the Grantee Parties, and/or (e) any release, deposit, discharge, emission, leaking, leaching, spilling, seeping, migrating, injecting, pumping, pouring, emptying, escaping, dumping, disposing or other movement of Hazardous Substances on, in, over, or under the Easement Area or the Grantor Property in connection with the use of the Easement Area or Grantee Improvements by Grantee or any Grantee Parties. The foregoing indemnification shall not apply to the extent that any such Indemnified Claims are solely and directly caused by the gross negligence or willful misconduct of any Indemnified Party. Grantee’s indemnification obligations are not limited by any limitations of any insurance held by Grantee, including, but not limited to, workers’ compensation insurance. The provisions of this Section 4 shall survive any expiration or termination of this Easement Agreement.

5. Assumption of Risks; Waiver of Liability. Grantee agrees to assume all risk of loss by fire, flood, earthquake, theft, accident, or casualty of any kind, which may affect the Easement Area, the Grantee Improvements or any other improvements constructed or installed thereon by Grantee, Grantee's use of the Easement, or exercise of the rights granted herein. Except to the extent caused by the gross negligence or intentional wrongdoing of Grantor any of the Indemnified Parties, Grantee waives all claims against Grantor and each of the Indemnified Parties for loss or damage caused by, arising out of, or in any way connected with Grantee's use of the Easement Area or the exercise of the rights granted herein.

6. Insurance. During the term of this Easement Agreement, Grantee shall, at its sole cost and expense, insure its activities in connection with this Easement Agreement and obtain, keep in force and maintain insurance in accordance with Attachment One attached hereto.

7. Grantor's Reservation of Rights. Grantor reserves the right to use the Easement Area, including the surface and subsurface areas within the Easement Area, and all other portions of the Grantor Property and any improvements thereon, at any and all times for purposes that do not materially interfere with Grantee's permitted use of the Easement Area. Grantor reserves the right to grant easements, licenses and other privileges to any person or entity over, under, upon and with respect to any portion or all of the Easement Area and other portions of the Grantor Property, so long as such uses and/or improvements do not materially interfere (except for such temporary interference as is expressly permitted under this Easement Agreement) with Grantee's permitted use of the Easement Area.

8. Reserved.

9. Taxes. Grantee shall, at its sole cost and expense, pay all taxes, charges or use fee(s) levied by any governmental agency against Grantee's interest in the Easement Area, or against any of the Grantor Property solely as a result of the Easement herein granted.

10. Default; Grantor's Right to Self Help. If Grantee fails to comply with this Easement Agreement or perform any of its obligations herein, Grantor shall give Grantee written notice setting forth such failure in reasonable detail, and Grantee must, within fifteen (15) calendar days after receiving such notice, comply or perform the obligation or duty required. Grantee's failure to comply with this Easement Agreement or fulfill its obligation or duty within such fifteen (15) calendar day period shall constitute a default by Grantee under this Easement Agreement; provided, however, if the failure is of a nature that it cannot reasonably be cured within such fifteen (15) calendar day period and Grantee commences to cure within such period and diligently prosecutes such cure to completion within thirty (30) days or such other time as may be appropriate given the nature of the non-compliance and the appropriate cure, then such default shall be deemed cured. If a Grantee default occurs, Grantor shall have all rights available both at law and in equity, and through its authorized agent or agents, shall also have the right to self-perform such obligation or duty, and Grantee shall be liable for the reasonable costs of such work and shall promptly reimburse Grantor for such cost. Any reimbursement not made within thirty (30) days after notice thereof from the Grantor is received by Grantee, shall bear, and Grantee shall be obligated to pay, interest at the annual interest rate of ten percent (10%) per annum on the amount of the reimbursement from the due date thereof, together with all actual, documented costs and expenses of collection, including reasonable attorney's fees and court costs.

11. Modification, Amendment and Termination. Except as provided herein, this Easement Agreement may be amended, modified, terminated or cancelled, in whole or in part, only by agreement of Grantee and Grantor. No such amendment, modification, termination or cancellation shall be effective unless a written instrument setting forth its terms has been executed, acknowledged and recorded by the parties in the official records of the County of Sonoma. Notwithstanding the foregoing, Grantor shall be entitled to terminate this Easement Agreement without Grantee's consent if (a) Grantee is in default under this Easement Agreement following the notice and cure period specified above, or (b) Grantee fails to use or ceases using the Easement Area for the purposes allowed hereunder for a continuous period of twelve (12) months. Upon any termination of this Easement Agreement, the Easement and any and all interest in the Easement Area granted by the Easement Agreement shall automatically revert to Grantor or its assigns and successors, without the necessity of any further action to effect said reversion. Notwithstanding the foregoing, upon any termination of this Easement Agreement, upon Grantor's request, Grantee shall, at Grantee's sole cost and expense, promptly execute and record a quitclaim deed and such other instruments as Grantor shall require evidencing such termination in a form approved by the Grantor's City Attorney. On demand by Grantor, upon any termination of this Easement Agreement, Grantee shall promptly remove any and all improvements it installed in, on, under or above the Easement Area and restore the Easement Area as nearly as possible to the same condition as it was in prior to the execution of this Easement Agreement. At the option of Grantor, if any such improvements are not removed and the Easement Area is not restored, Grantor may either remove the improvements and restore the Easement Area and charge Grantee for the reasonable costs of such removal and restoration, or all such improvements shall become the property of Grantor at no cost to Grantor. Grantee's obligations under Sections 2(g), 4, and 5 hereof shall survive any termination of this Easement Agreement.
