### 13. REPORT ITEMS

#### 13.1 REPORT - ZONING ORDINANCE - PROCEDURAL AMENDMENT RELATED TO APPEALS UNDER RESILIENT CITY DEVELOPMENT MEASURES

**BACKGROUND:** The proposed Zoning Code text amendment would add Section 20-16.070(A)(1)(b) to Chapter 20-16, Resilient City Development Measures. The purpose of the modification is to establish procedure for the appeal and review of decisions made under the Resilient City Development Measures. The proposed text change would correct and clarify that the City Council would be the appeal body for any projects under this section.

**RECOMMENDATION:** It is recommended by the Planning and Economic Development Department that the City Council introduce an ordinance to amend City Code Chapter 20-16, Resilient City Development Measures, adding Section 20-16.070(A)(1)(b) to Chapter 20-16 to define the appeal body for land use projects under this Section.

#### 13.2 REPORT - URGENCY ORDINANCE AUTHORIZING ADMINISTRATIVE ENFORCEMENT OF PUBLIC HEALTH ORDERS

**BACKGROUND:** As the COVID-19 pandemic persists in the City and throughout the State, there is an increasing need for cities and counties to expand the tools available to enforce Public Health Order violations. The proposed Urgency Ordinance adds an additional enforcement tool by creating a civil administrative process to address Public Health Order violations. Informal intervention and education will continue to be the initial strategy to encourage voluntary compliance in the community.

If adopted, the new enforcement tool will supplement, not replace, the current enforcement methods available. In addition to enforcing

compliance where needed, staff is hopeful that the administrative citation process will deter violations before they occur.

RECOMMENDATION: It is recommended by the City Attorney and the Planning and Economic Development Department that the Council adopt an urgency ordinance adding Chapter 9-24 - Authorizing Administrative Enforcement of COVID-19 Public Health Orders - to the City Code to authorize administrative enforcement and penalties for violation of Public Health Orders related to the COVID-19 pandemic.
