

FIRST AMENDMENT AQUATIC WEED CONTROL GENERAL SERVICES AGREEMENT NO. 146984

City Council Meeting
March 6, 2018

Alan Alton
Acting Chief Financial Officer, Finance Department

CURRENT

- The City is currently under contract with Aquatic Environments, Inc., Concord, California, for aquatic weed control services at Lake Ralphine, Nielsen Pond and Fountaingrove Lake.
- Current contract expires 3/13/18.
- This is a three-year contract with two (2) one-year renewal options.

PROPOSED

- First Amendment to extend contract for an additional two-year term and add funds.
- No increase in costs.
- All services remain the same.

BENEFIT

- Use of aquatic herbicides is necessary to manage the lakes features and maintain beneficial uses.
- Lakes are not treated when water is flowing through the spillway, and chemical treatments are used as last resort.
- Majority of the aquatic weed control is mandated by the State Department of Dam Safety.
- Funds for aquatic weed control are included in the Fiscal Year 2017-18 budget within Recreation and Parks.

RECOMMENDATION

- It is recommended by the Finance and Recreation and Parks Departments that the Council, by resolution, approve the First Amendment to Contract 146984 for aquatic weed control to Aquatic Environments, Inc., in the amount of \$58,000 for a total contract amount of \$145,000.
