

Flashing Yellow Arrows(FYA) at Traffic Signals

City Council Meeting
April 19, 2016

Rob Sprinkle
Deputy Director – Traffic Engineering

CURRENT

- One installation at North Dutton Avenue and West Ninth Street – February 2013
- Left turn yielding collisions have reduced

PLANNED

- Convert 5 more signals to FYA
- New Capital Improvement Projects will implement FYA where appropriate
- Approximately 40 signals citywide to be converted through grant opportunities

BENEFIT

- Reduction in collisions
- Provides more options in signal programming
- Consistency within regional and national trend
