14.1 REPORT - REVIEW AND COMMENT ON THE STATE OF CALIFORNIA COMMUNITY DEVELOPMENT BLOCK GRANT-DISASTER RECOVERY (CDBG-DR) DRAFT ACTION PLAN AND PROVIDE DIRECTION IF SANTA ROSA SHOULD REQUEST AND NEGOTIATE A TUBBS AND NUNS FIRE RECOVERY STATE SUBRECIPIENT STATUS

BACKGROUND: In April 2018, the U.S. Department of Housing and Urban Development (HUD) allocated \$124,155,000 in CDBG-DR funding to the State of California Housing and Community Development Department to assist with recovery efforts for the fire disasters that occurred in California in 2017, including but not limited to, the Tubbs and Nuns Fires. In August 2018, Congress published the Federal Register providing the timelines associated with the funds. As the grantee, HCD is required to submit an Action Plan to HUD within 120 days following the publishing of the Federal Register or December 18, 2018. The Action Plan includes an analysis of each qualifying jurisdiction's unmet recovery needs, designating eligible uses of the funding, and the method of distribution to include any allocation of the

funding to Units of Local Government. HCD's draft Action Plan was published on November 13, 2018 and includes their analysis of unmet needs for all qualifying jurisdictions state-wide. The City of Santa Rosa retained Hagerty Consulting, Inc. to prepare an unmet needs assessment specific to Santa Rosa, which was reviewed in Study Session earlier today. This is an opportunity for the Council to reach consensus on feedback to provide to HCD regarding their draft Action Plan; and direct the City Manager whether to request, negotiate and execute a subrecipient contract with HCD.

RECOMMENDATION: It is recommended by the Housing and Community Services Department, that the Council direct staff, via motion, to provide the Council's consensus commentary on the State of California Housing and Community Development Department (HCD) draft Action Plan via a letter from the Mayor to HCD; and, if Council directs via motion, authorize the City Manager to request, negotiate and execute a subrecipient agreement with HCD to include management of CDBG-DR funds.

BACKGROUND: The students of the SCJCD recognized the importance of transit services and elected to use revenue generated from the Student Transportation Fee (STF), to seek agreements with the transit providers within Sonoma County to provide an unlimited transit ridership program. A successful pilot program has allowed SRJC students ride CityBus free starting in September 2017 through the end of December 2018. The proposed MOU would initiate a new agreement, moving the program out of its pilot phase and extend this benefit to the SRJC students through June 2020.

College District (SCJCD) and the SCJCD Associated Students, establishing the CityBus Unlimited Pass Program for Santa Rosa Junior College students through June 30, 2020.

BACKGROUND: In preparation for initiation of SMART rail service in 2017, the City Council directed staff to implement a pilot shuttle service to provide a connection between the Santa Rosa Downtown SMART Station and parking garages in the downtown area. The shuttle service was implemented on December 13, 2017. Staff now seeks Council approval to discontinue the pilot shuttle service due to poor unitization and productivity but expand the ParkSMART program to pilot other transportation strategies to strengthen connections between the Downtown SMART Station, parking facilities, and the Downtown area.

14.4 REPORT - PARKING GARAGE 9 - 2017 REPAIR PROJECT

BACKGROUND: The Parking Garage 9 - 2017 Repair Project arises from a recommendation received by the City in a condition appraisal report prepared by Walker Restoration Consultants, dated March 2007. The most significant deficiency to be addressed by the proposed project involves replacement of the top layer of concrete (the “wear slab”) on the top level of Garage 9. Other work includes selective concrete repair, crack sealing and waterproofing. The repairs will protect structural components and extend the service life of the parking garage.

On September 4, 2018, an award of Contract No. C01823 to Ashron Construction and Restoration, Inc., of Santa Clara, California was presented to the City Council for consideration. The motion to award the contract resulted in a tie vote (3 ayes, 3 noes). The Council thereafter directed staff to bring back a smaller scale repair project and wait a year to bring back a project for full repairs. The Council did not act to reject all bids. A rejection of all bids is necessary where a construction contract is not awarded. An alternative action would be to award the contract to the responsible low bidder.

RECOMMENDATION: It is recommended by the Transportation and Public Works Department and Finance Department that the Council, either:

1) by Motion: reject all bids for the City of Santa Rosa Parking Garage #9 - 2017 Repairs project and reaffirm Council’s direction on September 4, 2018 to bring back a smaller scale repair project for contract award and wait a year to bring back a project for full repairs, or:

2) by Motion, award Contract No. C01823, City of Santa Rosa Parking Garage #9 - 2017 Repairs, in the amount of \$2,180,095.00 to the lowest responsible bidder, Ashron Construction & Restoration, Inc. of Santa Clara, California, approve a 10% contract contingency, and authorize a total contract amount of \$2,398,104.50; and by Resolution, approve a FY 2018/19 budget allocation of \$706,569.00 to Key 45029- Garage 9 Repairs, from the Parking Fund-1641.

Presented by Steve Dittmer, Supervising Engineer, and Kim Nadeau, Parking Manager.

A motion was made by Council Member Sawyer, seconded by Council Member Olivares, to award Contract No. C01823, City of Santa Rosa

Parking Garage #9 - 2017 Repairs, in the amount of \$2,180,095.00 to the lowest responsible bidder, Ashron Construction & Restoration, Inc. of Santa Clara, California, approve a 10% contract contingency, and authorize a total contract amount of \$2,398,104.50; and to waive reading of the text and adopt:

14.6 REPORT - AMENDMENT TO THE CITY CLASSIFICATION AND SALARY PLAN TO MODIFY SALARY AND JOB TITLES OF MULTIPLE WATER DEPARTMENT CLASSIFICATIONS

BACKGROUND: In September 2015, the City contracted with Koff & Associates (K&A) to conduct a classification and compensation study for select classifications in the Water Department. Those findings were delivered in draft form in March 2017 but were not acted on due to the use of nonstandard comparables in the market survey and a change in Water Department objectives. In January 2018, the City contracted with K&A to update the study using standard comparables and those findings were delivered in April 2018. K&A found the Utilities System Operator II classification to be approximately 5% below market, the Laboratory Supervisor to be approximately 10% below market, and recommended changes to classifications in the Mechanical Services Section.

RECOMMENDATION: It is recommended by the Water and Human Resources Departments that the Council, by resolution, amend the City's Classification and Salary Plan to do the following: create the classifications Supervising Instrumentation Technician, Supervising Electrical Technician, and Supervising Mechanical Technologist; reclassify the classifications of Senior Instrumentation Technician to Supervising Instrumentation Technician and Senior Electrical Technician to Supervising Electrical Technician and increase salary 5%; reclassify the Senior Mechanical Technologist classification to Supervising Mechanical Technologist and increase salary 5.9%; increase the step salary ranges of Utilities Systems Operator I, Utilities System Operator II, Senior Utilities Systems Operator by 5%; increase the salary range of Utility System Supervisor, Utility System Superintendent by 5%; increase the salary range of Laboratory Supervisor by 10%.

14.7 REPORT - URGENCY ORDINANCE AMENDING SECTION 10-44.040 OF THE CITY CODE TO EXTEND THE TEMPORARY PROHIBITION ON RENTAL HOUSING PRICE GOUGING FOR THE DURATION OF THE CITY'S PROCLAMATION OF LOCAL EMERGENCY DUE TO FIRES

BACKGROUND: Beginning on the evening of October 8, 2017, and continuing for days thereafter, a series of wildfire events damaged or destroyed thousands of residential and commercial structures within the City of Santa Rosa. On October 9, 2017, the City Manager proclaimed the existence of a local emergency. That proclamation was ratified by the City Council on October 13, 2017 and remains in effect to this day.

Soon after the wildfires swept through the region, City officials were alerted to price gouging in rental housing within the City. To address this issue, the Council adopted Urgency Ordinance ORD-2017-020 adding Chapter 10-44 to the City Code. The Ordinance established a temporary prohibition on rental housing price gouging as well as temporary restrictions on tenant evictions. By its initial terms, the Ordinance was to remain in effect until April 18, 2018.

On May 8, 2018, Council adopted Urgency Ordinance ORD-2018-11 extending the temporary prohibition on rental housing price gouging, as well as temporary restrictions on tenant evictions, so they remain in effect until December 4, 2018 or for as long as the City remains under a State declaration of emergency, whichever is later.

The urgency ordinance now before the Council would amend Section 10-44.040 to further extend the temporary prohibition on rental housing price gouging and the temporary restrictions on tenant evictions, so they remain in effect for so long as the City remains under the City's Proclamation of Local Emergency due to fires. Under the City Charter, five affirmative votes are necessary to adopt an urgency ordinance.

RECOMMENDATION: Pursuant to Council request, it is recommended by the City Attorney that the Council consider adoption of an urgency ordinance to amend Section 10-44.040 of the Santa Rosa City Code, to extend the term of the City's prohibition on rental housing price gouging and the temporary restrictions on tenant evictions, such that the prohibition and restrictions remain in effect for so long as the City remains under a proclamation of local emergency due to fires.

Presented by Sue Gallagher, City Attorney.
