The name Cookies is deceiving and the color is inappropriate for this area and location. We need to know what it's selling and definitely not Cookies as most of us except.

Monet, I just want to go on the record with something I don't believe you can do anything about. Sorry. But I just have to say that a cannabis dispensary called "Cookies" seems like a REALLY bad idea to me.

I know that there is a mobile home park directly adjacent to the south of this location (I buy cat food at Pet Club). I don't know if there are children living at that mobile home park, but, again, this just seems like an unnecessarily bad idea.

Thanks for letting me at least say it!

Sonia

Subject: 9.1 - CUP21-013 Planning Commission item for October 14th

****PLEASE DO NOT REPLY TO ALL****

Chair Weeks and members of the Planning Commission,

Planning staff wishes to clarify project information for an item, File No. CUP21-013, which is scheduled for the October 14 Planning Commission hearing.

The public notice referred to the project as "Cookies Retail Storefront Dispensary." To support future review for compliance, Planning staff has clarified with the applicant that the operator name is CR Santa Rosa, LLC, and the store name is Cookies Retail. Staff has updated project name throughout meeting item documents (staff report, resolution, presentation, and meeting agenda) to more accurately reflect the operator and store name. This updated is: CR Santa Rosa, LLC (dba Cookies Retail). Project noticing will remain as distributed.

Thanks,
