COMMUNITY VISION WORKSHOP | JULY 2021 | www.SantaRosaForward.com

PRESENTATION

SANTA ROSA FORWARD PROCESS

Communities are planned by thinking about where homes, buildings, stores, parks, schools, roads, and other features should be located and how they relate to each other.

But planning also involves thinking about what people need and how they can stay safe, have access to education and jobs, and have a voice in decisions that affect their lives.

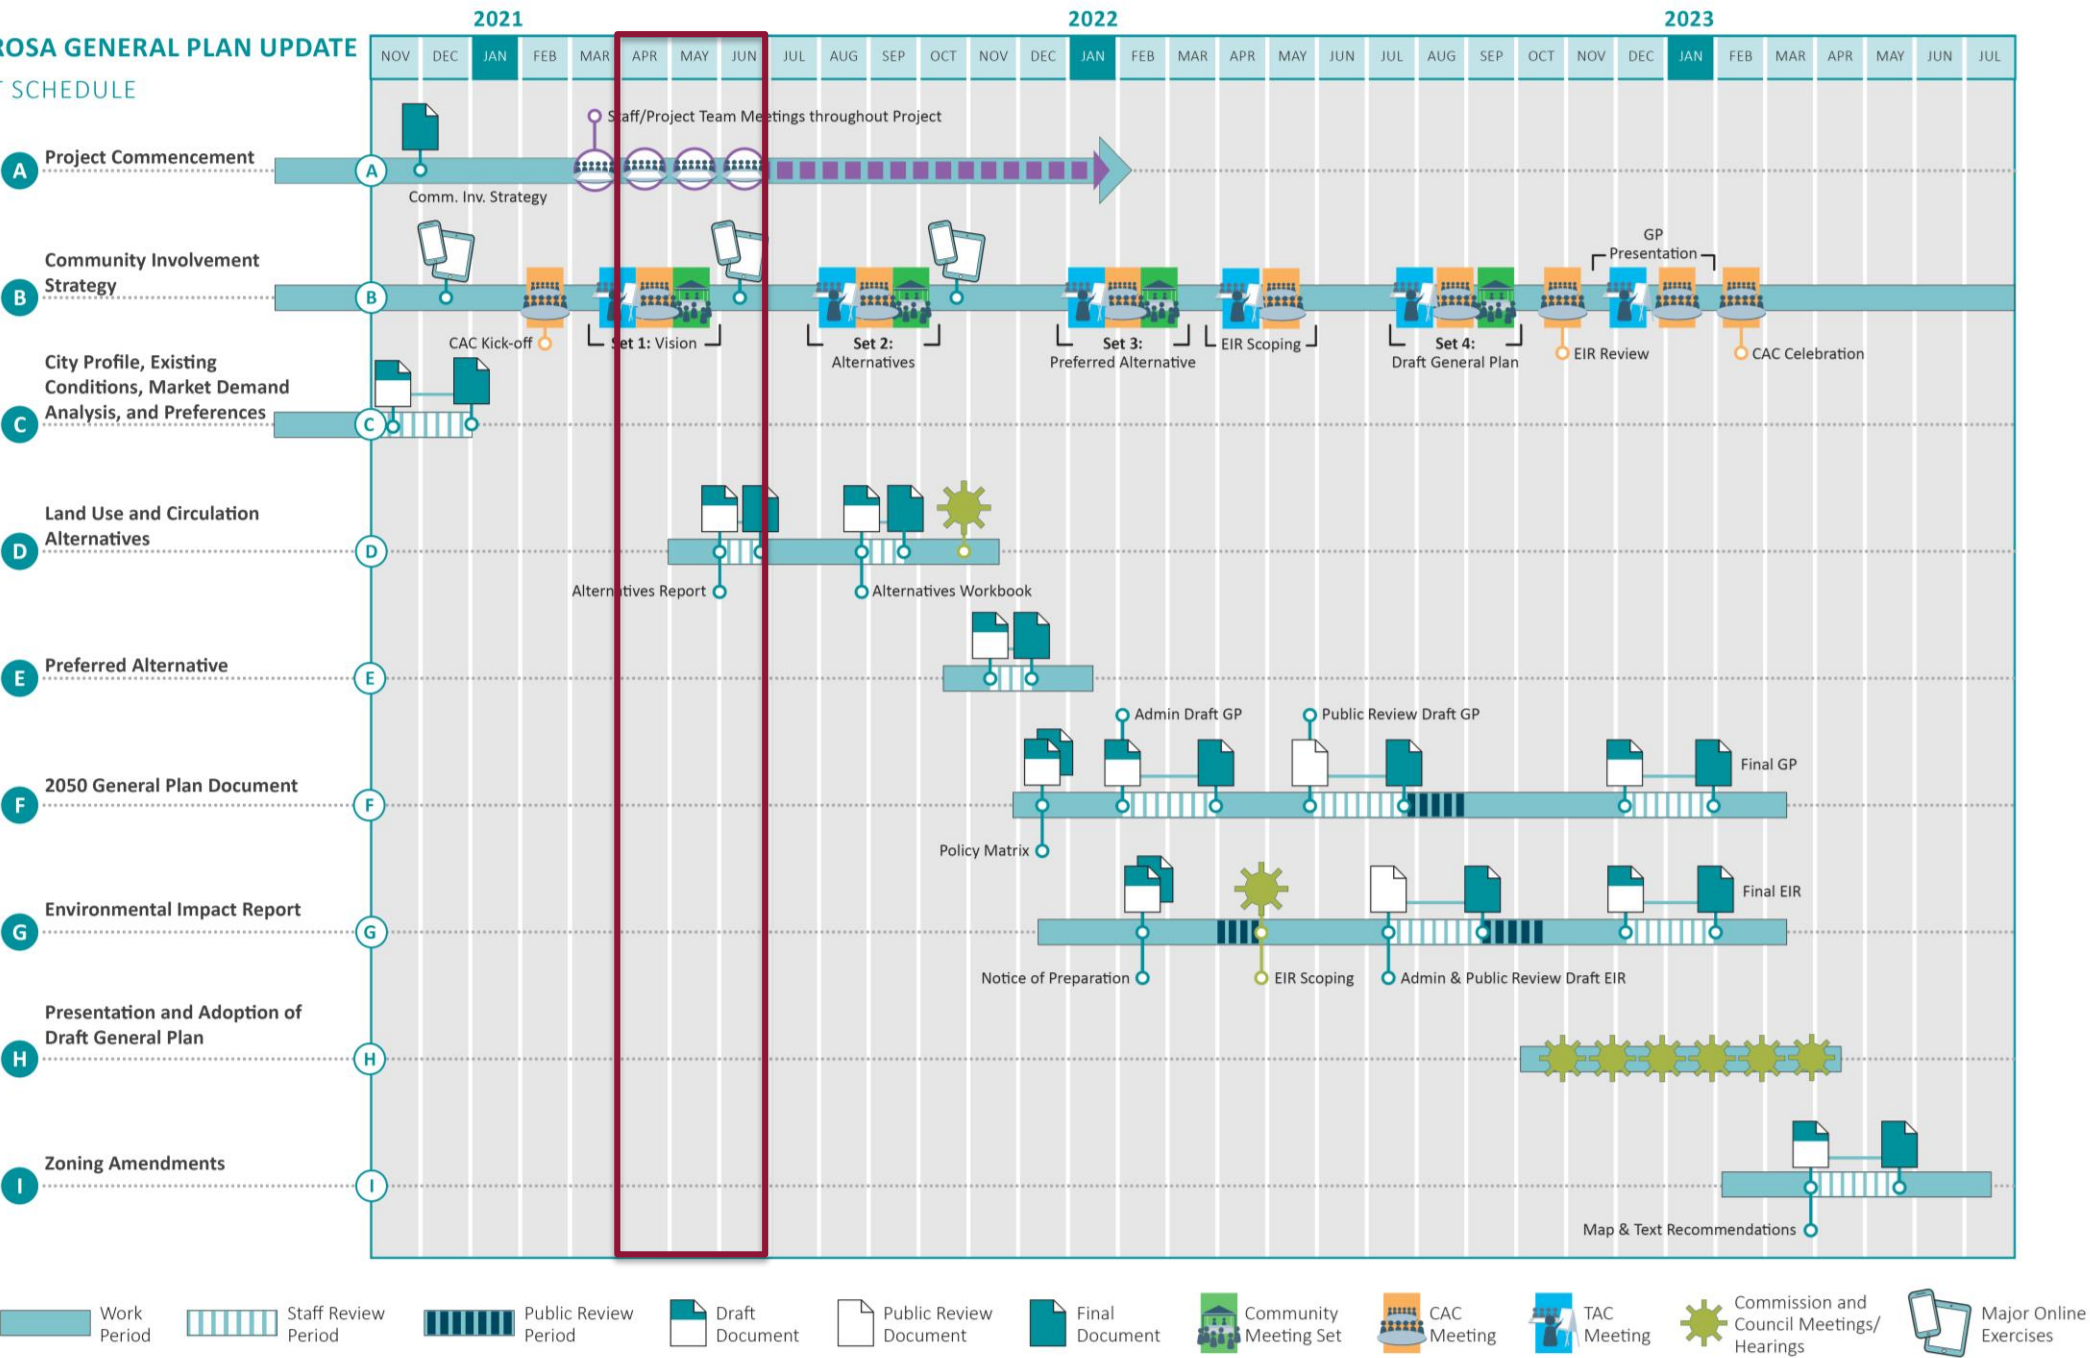

The General Plan Update process, known as **Santa Rosa Forward**, provides an important opportunity to **revisit** and **rethink** community planning policies and programs.

The goal is to think about how we want to improve Santa Rosa now and into the future!

Community Vision Workshops (District-wide)

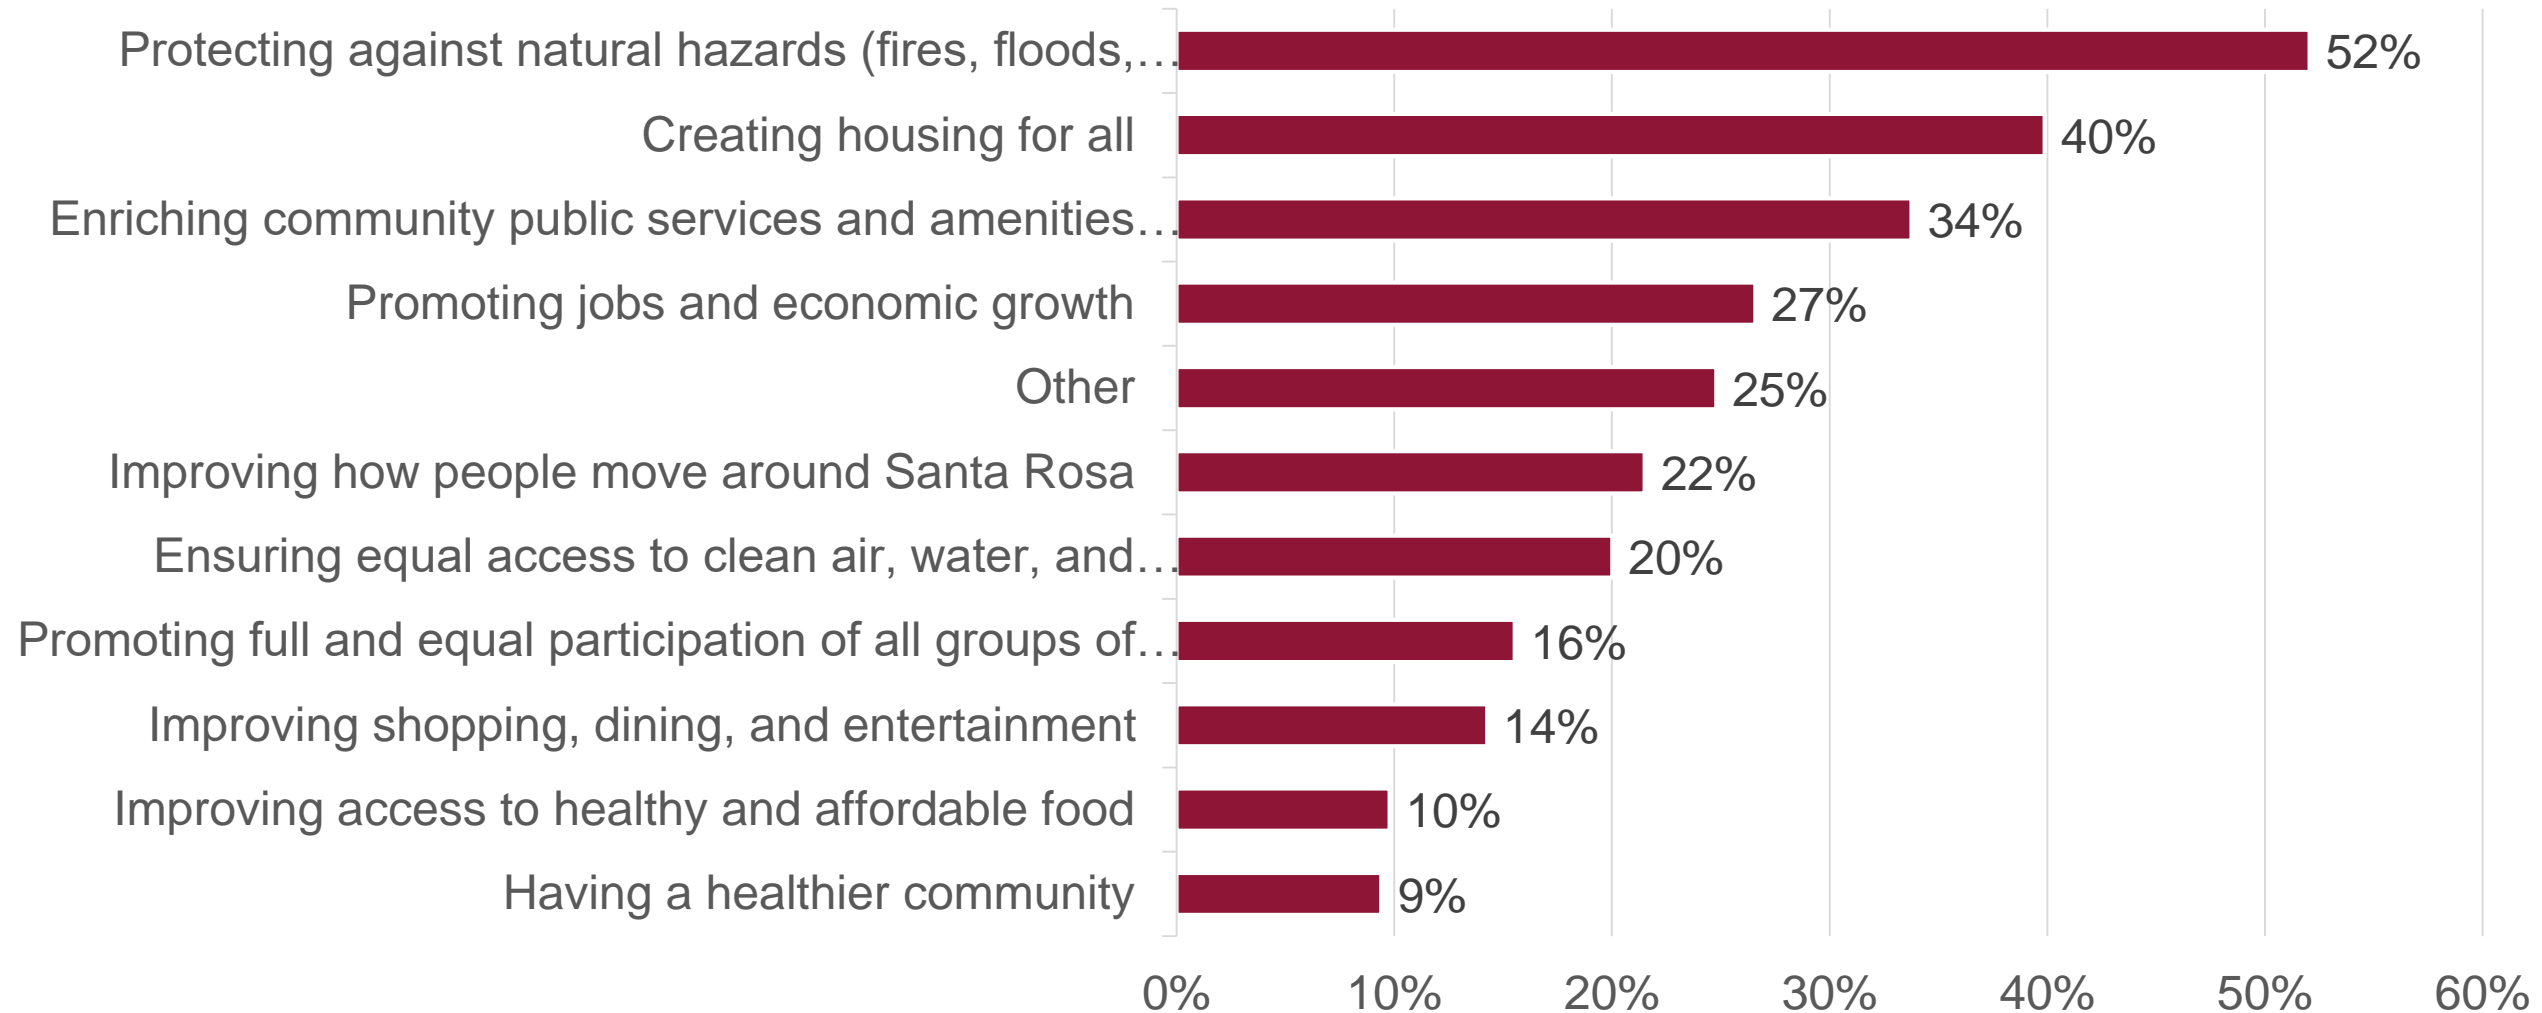

The City hosted 10 Community Vision Workshops in May 2021, that provided community members an opportunity to:

- Learn about the Santa Rosa Forward process and the importance of the General Plan;
- Discuss a Vision for the future of Santa Rosa; and
- Discuss what they like about Santa Rosa and what they would improve or change in the future.

What makes this the heart of your neighborhood?

What are the most important changes you would like to see in the City of Santa Rosa?

What excites you the most about the future of Santa Rosa?
