

RECOMMENDATION TO CITY COUNCIL TO APPROVE GRANT OF EASEMENT TO PG&E OVER A PORTION OF CITY PROPERTY LOCATED AT 5035 HARVILLE ROAD

Board of Public Utilities

January 15, 2026

Celeste Carranza, Associate Real Property Agent

BACKGROUND

Reservoir 6

- PG&E previously placed a guy wire anchor on City owned property located at 5035 Harville Road, without the necessary right to do so
- City staff and PG&E have met on site and identified a more suitable location for an anchor

BACKGROUND CONTINUED

- PG&E is requesting a 75 square foot easement to install anchors, guy wires and cables, guy stubs and fixtures, and manage vegetation
- Easement will not hinder current or future Water Operations
- Valued at \$500 plus staff costs

RECOMMENDATION

It is recommended by Santa Rosa Water and Real Estate Services that the Board of Public Utilities, by motion, recommend that City Council approve the grant of an approximately 75 square foot easement to Pacific Gas and Electric Company (“PG&E”) and authorize the Assistant City Manager to execute the Easement Deed.
