18.6.2 The rest period shall not exceed fifteen (15) minutes for each four (4) hours of work;

18.6.3 The rest period is a recess to be preceded and followed by an extended period of work;

18.6.4 The rest period shall not be used in conjunction with late arrival to work, early departure from work or lunch period; and

18.6.5 Rest periods shall not accumulate if not taken.

All grievances shall be filed in accordance with this procedure. A grievance is a claimed violation, misinterpretation, inequitable application or non-compliance with a memorandum of understanding, City ordinance, resolution, rule or regulation affecting working conditions. Disputes over individual disciplinary actions are not considered grievances and are addressed in Rule 7.

If a City representative does not respond within the required time limits and the time limits have not been

extended, then the grievance shall be advanced to the next step.

44.2.3. An aggrieved employee may be represented by any person or organization of choice at any stage of the proceedings. A representative of an organization certified to represent a majority of employees in a representation unit in which an aggrieved employee is included, upon prior request of the grievant, is entitled to be present at all meetings, conferences, and hearings.

44.2.4. In situations where there are disputes which do not fall under this chapter, due to the dispute not meeting the definition of a grievance, or a deadline being missed, the parties to the dispute are encouraged to continue to address the issue, including seeking mediation.

44.3. Informal Grievance Procedure

As soon as possible, but within 14 calendar days of the discovery of an event giving rise to a grievance, the grievant or representative shall present the grievance clearly and succinctly, either verbally or in writing, to the supervisor, except in situations where the grievance involves the relationship with the supervisor; in those situations, the grievance shall be submitted to the next higher level of supervision within the same time frame. The parties are encouraged to seek mediation to resolve the dispute. Mediation services are available through the Human Resources Department or from other City mediators to assist in bringing the grievance to a resolution. The grievant and supervisor

have a mutual responsibility to have the matter resolved, if possible, at the organizational level of origin.

The supervisor shall provide the grievant with a written response to the grievance within seven (7) calendar days of the last meeting with the employee regarding the grievance. Presentation of an informal grievance shall be necessary prior to the filing of a formal grievance.

44.4. Formal Grievance Procedure

If the issue grieved was not resolved informally, a formal written grievance shall be filed within 14 calendar days after receipt of the supervisor's response to the informal grievance. The grievance will include a clear statement of the nature of the grievance, citing the applicable language of any ordinance, rule, regulation, memorandum of understanding, or other pertinent document involved, the date on which the grievance occurred and a proposed solution to the grievance. Within 14 calendar days after the formal grievance is filed, the department head or designated representative shall investigate the grievance, confer with the grievant, attempt to resolve the issue and make a decision in writing. The parties are encouraged to seek mediation to resolve the dispute.

If the grievance is not resolved to the satisfaction of the grievant, the grievant may, within seven (7) calendar days

after notification of the department head's decision, request the City Manager or designee to consider the decision rendered by the department head. Such request shall be in writing and filed with the Human Resources Director.

Within 14 calendar days after receipt of the written request, the City Manager or designee shall investigate the grievance, confer with persons affected and their representatives to the extent deemed necessary, offer to seek mediation and render a decision in writing.

If the decision of the City Manager or designee resolves the grievance to the satisfaction of the grievant, it shall be final and binding.

If the decision of the City Manager or designee does not resolve the grievance to the satisfaction of the grievant, the grievant may file a request for a hearing before the Personnel Board. The request for a hearing shall be made in writing within seven (7) calendar days from the date of receipt of the decision of the City Manager or designee.

Probationary employees shall have access to an informal complaint procedure only for issues limited to misapplication or misinterpretation of the MOU or City policies or procedures. Classification and Compensation Survey:

During the term of the contract, the City shall perform a classification and compensation survey of the Unit 4,6 and 7 benchmarked classifications, comparing the classifications to appropriate comparator jurisdictions. The City and Union agree to meet and confer on the survey methodology prior to conducting the survey and will formulate a selection committee, comprised of both Union membership and City management to evaluate proposals and select a classification and compensation consultant. The City and Union will work together collaboratively and review the consultant's recommendations related to the selection of comparator agencies, the compensation philosophy and the data points which make up the classification and compensation, total compensation survey data.

The survey shall be completed and delivered to the Union prior to the expiration of the contract on June 30, 2024 and will formulate the discussion related to compensation in the next round of labor negotiations.

Recruitment and Retention Adjustments:

The following classifications have been mutually identified by the City and the Union as having recruitment and retention issues and shall be reviewed for compensation increases prior to January 1, 2022:

- 1.) Engineer
- 2.) Mechanical Technician
- 3.) Instrument Technician
- 4.) Electrical Technician

Once salary surveys have been conducted, Human Resources will bring recommendations to Council to adjust compensation for these classifications based on the following criteria:

Percent above or below the market average in comparison to current City comparable agencies,

more than one failed recruitment, employment offers to qualified applicants that have been rejected due to compensation, and an insufficient candidate pool with an established lack of qualified candidates possessing the minimum qualifications for the classification.

Recruitment and Retention Issues During the Term of the Contract:

In the event that the Teamsters Local 856 (Union) believes a recruitment and/or retention issue exists, the Union has the right to request a meeting with Human Resources to discuss these concerns. This meeting will commence within 14 days of the request unless otherwise agreed. At this meeting, the Union must present data to support that recruitment and/or retention issues exist (such as illustrated by multiple

failed recruitments, declined job offers by qualified candidates, a lack of qualified candidates in the recruitment pool). Human Resources, in collaboration with the Union will consider the information presented by the Union and will evaluate other relevant labor market data before issuing its findings. If the compensation review results in a consensus that an equity adjustment is warranted, the findings shall be submitted to the City Manager, who will accept the findings as submitted. The City Manager will determine if financial resources are available to provide the adjustment prior to the recommendation being forwarded to the City Council for approval. If it is determined that financial resources are not available; the adjustment shall be reviewed during the annual budget process.
