Meeting Efficiency Suite

Meeting Efficiency Suite

The Meeting Efficiency Suite is a live meeting workflow solution that combines minutes with a meeting's recording. Capture and publish minutes, saving staff time and cutting administrative costs. Record roll-call, agenda items, speakers, motions, votes, and notes through a simple interface. After the meeting, finalize minutes quickly and easily. With VoteLog, allow the public to track legislation, ordinances and even voting member records through your website.

- Meeting preparation tools
- Live minutes automation
- Quick notes and text expansion
- Minutes editing and publishing
- Generate linked minutes

Electronic Voting and Public Displays (suite add-ons)

This addition to the Meeting Efficiency Suite gives elected officials a new way to participate in public meetings using touch-screen displays to record motions and votes as well as request to speak. View full agendas, supporting materials, the current item, speakers and vote results all from the touch-screen display. Record actions directly from elected members and ensure greater accuracy. Help your audience follow fast-paced meetings with a public display that shows current item, vote results and more.

- Touch-screen displays
- Digital speaker queue
- Vote and roll call automation
- Review paperless agenda packets
