

CITY OF SANTA ROSA  
CITY COUNCIL

TO: MAYOR AND CITY COUNCIL  
FROM: CHRIS CATBAGAN, ASSOCIATE ENGINEER  
TRANSPORTATION AND PUBLIC WORKS  
SUBJECT: PROJECT WORK ORDER APPROVAL - HEARN AVENUE  
INTERCHANGE AT HIGHWAY 101

AGENDA ACTION: MOTION

---

RECOMMENDATION

It is recommended by the Transportation and Public Works Department that Council, by motion, approve and authorize the Mayor to execute project work order #A010136-2016-02, for the Plans, Specifications, and Estimate (PS&E) phase for the Hearn Avenue Interchange at US Highway 101, in the amount of \$3,500,000 with AECOM Incorporated.

---

EXECUTIVE SUMMARY

This motion will approve a work order to hire AECOM Incorporated to complete the project Plans, Specifications and Estimate (PS&E) phase required to construct the proposed improvements for the Hearn Avenue Interchange project at Highway 101.

This resolution supports Council Goal 3: Provide Leadership for Environmental Initiatives 1) Improve transportation network to reduce vehicle miles traveled and promote multi-modal transportation.

BACKGROUND

1. In January 2017, the City completed the Project Approval and Environmental Document (PA&ED) phase. A Negative Declaration and Finding of No Significant Impact was adopted for the Hearn Avenue Interchange at Highway 101 project. The project is ready to proceed to the next phase. The Plans, Specifications and Estimate (PS&E) phase will prepare and complete construction plans and contract documents.
2. The replacement of the interchange will provide a much-needed improvement to the existing undersized overcrossing while improving traffic circulation and enhancing pedestrian & bicycle access.

3. The City implemented a three-phase delivery schedule for the Hearn Avenue Interchange. Two phases out of the three phases have been completed. Phase 1 is the completed construction on the east side of the interchange, which included the widening along Santa Rosa Avenue. Phase 2 is the completed construction on the west side of the interchange, which has been widened along Hearn Avenue. Phase 3 will be the future reconstruction of the Hearn Avenue interchange over US Highway 101.

### PRIOR CITY COUNCIL REVIEW

On August 2005, the City and Sonoma County Transportation Authority (SCTA) entered into Cooperative Agreement No. M30806-05 approving the cooperative funding agreement for Measure M funds for Hearn Avenue Improvements Phase I, II, and III.

On April 3, 2012, the City and Caltrans entered into Cooperative Agreement No. 04-2348 to develop the Project Initiation Document (PID). City Council approved this agreement by resolution No. 28069.

On February 25, 2014, the City and Caltrans entered into Cooperative Agreement No. 04-2492 to complete the Project Approval and Environmental Document (PA&ED) phase. The City Council approved this agreement by resolution No. 28433.

On April 18, 2017, the City Council, by Resolution No. RES-2017-056, approved Cooperative Agreement No 04-2600 for Caltrans' Independent Quality Assurance during the preparation of the Project Plans, Specifications, and Estimate (PS&E) phase.

### ANALYSIS

1. One firm provided proposals for the Project Plans, Specifications, and Estimate (PS&E) phase. The review panel concluded that AECOM Incorporated is well qualified to complete the proposed PS&E phase of work.
2. The project work order, if approved, is written under the existing Master Professional Service Agreement with AECOM Incorporated. The project work order has been approved as to form by the City Attorney.

### FISCAL IMPACT

Approval of this action does not have a fiscal impact on the General Fund.

### ENVIRONMENTAL IMPACT

In December 2016, Caltrans adopted a Negative Declaration while complying with the requirements of the California Environmental Quality Act (CEQA).

In December 2016, Caltrans adopted a Finding of No Significant Impact while complying with the requirements of the National Environmental Policy Act (NEPA).

BOARD/COMMISSION/COMMITTEE REVIEW AND RECOMMENDATIONS

Not applicable.

NOTIFICATION
