SUBJECT: RESOLUTION OF THE COUNCIL OF THE CITY OF SANTA
ROSA APPROVING THE PROJECT LIST, AND AUTHORIZATION
TO APPLY FOR THE ANNUAL FORMULA ALLOCATION OF
FISCAL YEAR 2021-22 STATE OF GOOD REPAIR PROGRAM

AGENDA ACTION: RESOLUTION

RECOMMENDATION

It is recommended by the Transportation and Public Works Department that the Council, by resolution, approve the SB1 State of Good Repair Project List for FY 2021-22 for preventative maintenance, and authorize the Director of Transportation and Public Works or his designee to request the City's annual allocation of FY 2021-22 State of Good Repair funding in the estimated amount of \$25,611 from the California Department of Transportation.

EXECUTIVE SUMMARY

The SB1 State of Good Repair (SGR) program provides capital assistance to rehabilitate and modernize California's existing local transit systems. In FY 21-22 the City of Santa Rosa will receive an estimated \$25,611 from the SGR program based on an annual formula allocation. These funds will assist Santa Rosa CityBus in maintaining the fixed-route fleet of buses, providing efficient and reliable service to the community.

BACKGROUND

1. The State Transit Assistance (STA) funding from the (SGR) account authorized under Senate Bill 1 (2017) is funded from a portion of a new Transportation Improvement Fee on vehicle registration.
2. The SGR program goal is to provide funding for capital assistance to rehabilitate and modernize California's existing local transit system. The City of Santa Rosa will receive an estimated \$25,611 based on the revenue allocation method; that is, the amount of revenue generated by the operator's transit system relative to other transit operators statewide.

PRIOR CITY COUNCIL REVIEW

On July 21, 2020, the City Council, with RES-2020-114, authorized the application for FY 2020-21 State of Good Repair funds.

On May 7, 2019, the City Council, with RES-2019-047, authorized the application for FY 2019-20 State of Good Repair funds.

ANALYSIS

1. Transit staff has prepared the request for funds in the amount of \$25,611 from the SGR program for FY 2021-22 to assist in the maintenance and repair of the fixed-route buses in the CityBus system.
2. To submit the request for funds, an approved resolution is required by the California Department of Transportation demonstrating local support for the application to the SGR program.

FISCAL IMPACT

There will be no financial impact to the General Fund. These funds are included in the Transit Division budget for FY 2021-22.

ENVIRONMENTAL IMPACT

This action is categorically exempt from the California Environmental Quality Act (CEQA), pursuant to CEQA Guidelines Section 15301, Existing Facilities. Specifically, the project consists of the repair, maintenance and minor alteration of existing public facilities involving no expansion of use.
