15. REPORT ITEMS

15.1 REPORT - APPROVAL OF RATE INCREASE OF 3.4% FOR RESIDENTS OF THE CITY OF SANTA ROSA WHO UTILIZE RECOLOGY SANTA ROSA (RECOLOGY SONOMA MARIN), EFFECTIVE JANUARY 1, 2025

BACKGROUND: The City of Santa Rosa grants Recology Sonoma Marin (Recology) an exclusive franchise agreement for the collection and hauling of solid waste, including the three main streams of recycling, landfill, and organic waste. The City awarded this agreement to Recology Sonoma Marin in November of 2017 through a competitive process. Any rate increase for Santa Rosa Recology customers is subject to City oversight. Staff requested a detailed rate review to ensure Recology is appropriately compensated, but also to ensure Santa Rosa's residents' refuse rates are competitive.

15.2 REPORT - AFFORDABLE HOUSING CAPITAL FACILITIES FEE PILOT PROGRAM

BACKGROUND: Development impact fees provide a mechanism for new development projects to contribute financially to the cost of improving and expanding the public infrastructure and facilities needed to accommodate that development. Impact fees are commonly used by local agencies throughout California and in many other states as one of many funding sources for capital improvement programs. Impact fees are a one-time, non-recurring revenue source that is typically collected at the completion of a private development project. While development impact fees are necessary to support public infrastructure, the payment of impact fees may constitute a barrier for the construction of affordable housing. The Planning and Economic Development Department has analyzed the existing impact fee program, progress of housing development, and researched other jurisdictions' responses to this issue, and will present the Affordable Housing Capital Facilities Fee Pilot Program. The program proposes to set the Capital Facilities Fee for certain deed restricted affordable units to zero dollars for a limited period of time to encourage affordable housing development and achievement of the City's Regional Housing Needs Allocation requirements.

RECOMMENDATION: It is recommended by the Planning and Economic Development Department that the Council, by resolution, adopt an Affordable Housing Capital Facilities Fee Pilot Program reducing the Capital Facilities Fee for certain deed restricted affordable residential unit types to encourage the near-term development of

specific affordable housing units needed to comply with the Regional Housing Needs Allocation.
