16. PUBLIC HEARINGS

16.1 PUBLIC HEARING - 2025 CALIFORNIA BUILDING CODE ADOPTION WITH AMENDMENTS

BACKGROUND: Every three years the State of California updates the California Code of Regulations, Title 24 (CCR-T24) including its thirteen-component building and safety codes (collectively, the California Building Standards Code). Through the State code adoption cycle, the State of California adopts and publishes amendments to national model codes and updates codes specific to California. Such model codes with State amendments and California specific codes go into effect in every city and county in the State of California 180 days after publication. The new California Building Standards (CCR-T24) was published on July 1, 2025 and will take effect on January 1, 2026. Similarly, every three years the International Code Council updates the International Property Maintenance Code with the most recent update occurring in 2024. Adoption of the International Property Maintenance Code is at the discretion of the local agency. In addition. The Health and Safety Code allows local jurisdictions to change or modify the State adopted model codes based on local geologic, climatic, or topographic conditions. The Planning and Economic Development Department is requesting adoption of the 2025 California Building Standards Code as well as the updated 2024 International Property Maintenance Code, with certain local amendments and administrative changes.

RECOMMENDATION: The Planning and Economic Development Department recommends that the Council adopt an ordinance entitled: Ordinance of the City of Santa Rosa adopting by reference, with local amendments, the 2025 California Administrative Code, 2025 California Building Code, 2025 California Residential Code, 2025 California Green Building Standards Code, 2025 California Electrical Code, 2025 California Mechanical Code, 2025 California Plumbing Code, 2025 California Energy Code, 2025 California Wildland-Urban Interface Code, 2025 California Historical Building Code, 2025 California Existing Building Code, 2025 California Referenced Standards Code, 2024 International Property Maintenance Code, and the National Pollutant Discharge Elimination Permit and Waste Discharge Requirements. This ordinance, introduced at the December 16, 2025, Regular Meeting,

passed by a 7-0-0-0 vote. This item has no impact on current fiscal year budget.

Jimmy Bliss, Chief Building Official, presented and answered questions from Council.
