The impact to the General Fund in FY 2024-25 is \$789,456, with an ongoing cost of \$2,426,762 per year after the third year of the contract. This will contribute to the deficit going forward and will be paid for with unassigned reserves in future years unless offset by expenditure reductions or revenue increases, or both, to bring the General Fund budget into balance.

The Council finds that the proposed action is exempt from the provisions of the California Environmental Quality Act (CEQA) under section 15061(b)(3) and 15378 in that there is no possibility that the implementation of this action may have significant effects on the environment, and that no environmental review is required.
