Existing

Proposed

Floor Plan

Conditional Use Permit

Required Findings a - c

- a) The proposed Cannabis Microbusiness is allowed within the applicable zoning district and **complies with all other applicable provisions of the Zoning Code** and the City Code;
- b) The proposed Cannabis Microbusiness is **consistent with the General Plan** and any applicable specific plan;
- c) The design, location, size, and operating characteristics of the proposed Cannabis Microbusiness would be **compatible with the existing and future land uses** in the vicinity;

Conditional Use Permit

Required Findings d - f

- d) The site is physically suitable for the type, density, and intensity of proposed Cannabis Microbusiness, including access, utilities, and the absence of physical constraints;
- e) Granting the permit would not constitute a nuisance or be injurious or detrimental to the public interest, health, safety, convenience, or welfare, or materially injurious to persons, property, or improvements in the vicinity and zoning district in which the property is located; and
- f) The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA).

Found in compliance with CEQA:

- Section 15301 – Involves minor modifications to an existing facility
- Section 15303 – Involves a change of use
- Section 15332 – Infill development
- Section 15183 – Consistent with General Plan

Issues & Public Comments

- No unresolved issues; and
- No public comments received in response to the Notice of Public Hearing.

Recommendation

It is recommended by the Planning and Economic Development Department that the Planning Commission approve a Conditional Use Permit for Green Qi, a Cannabis Microbusiness, to located at 925 Piner Road.
