3.1 REDISTRICTING PROCESS: DECENNIAL REVIEW OF COUNCIL MEMBER DISTRICT BOUNDARIES

The Fair and Inclusive Redistricting for Municipalities and Political Subdivisions (FAIR MAPS) Act, requires cities and counties to engage communities in the redistricting process. Cities with district-based elections are required to update ("redistrict") the district boundaries every ten years, following the receipt of updated population data from each federal decennial census. Santa Rosa is required to redistrict the Council district boundaries prior to the next City Council election in 2022.

Santa Rosa has contracted with Redistricting Partners, LLC, to assist the City in the redistricting process, including working within existing

state and federal voting rights laws, the Fair Maps Act and new California statutes on redistricting for cities, and utilizing traditional redistricting criteria, borne out of state and local laws, caselaw, and best practices. Redistricting Partners will work with the City to facilitate the process in a collaborative, open and transparent manner. In this study session, Redistricting Partners will provide a brief report and timeline on the redistricting process for Santa Rosa.

14. REPORT ITEMS

14.1 REPORT - WAIVER OF COMPETITIVE BID AND APPROVAL OF TWO AGREEMENTS FOR THE CITY'S INRESPONSE PROGRAM WITH CATHOLIC CHARITIES AND BUCKELEW PROGRAMS

BACKGROUND: The Police Department contracted with White Bird Clinic, a non-profit organization that runs the Crisis Assistance Helping out on the Streets (CAHOOTS) program in Eugene, Oregon in 2020. With their expertise the department worked with local stakeholders, community members, and our local non-profits to create this comprehensive program which will include a mental health clinician, Fire Department paramedic and homeless outreach specialist who will respond to homeless related incidents and non-violent mental health crises to provide resources and support. This upstream approach is geared toward proactive identification of people at risk of crisis and will provide case management and services to prevent life changing/altering situations.

The concept of the inRESPONSE program was first presented to the Public Safety Subcommittee (PSS) in August 2020. The PSS provided support and feedback to the department to move forward with the

development of this program for the City of Santa Rosa. During the budget sessions for this fiscal year the City Council supported this program in full and provided one-time funding of \$1.1 million for the first year's pilot program.

RECOMMENDATION: It is recommended by the Police Department that the Council, by two resolutions, waive competitive bidding pursuant to Section 3-08.100(D) of the City Code and approve authorization for the City Manager or designee to negotiate and execute two agreements, collectively with a total not-to-exceed amount of \$1,473,749, with Catholic Charities of the Diocese of Santa Rosa and Buckelew Programs, which are local non-profit agencies that will assist the City with INRESPONSE program implementation.

15. PUBLIC HEARINGS

Public Hearing matters will begin no earlier than 5:00 p.m. or as soon thereafter as the matters are reached on the agenda.

15.1 PUBLIC HEARING - SHORT-TERM RENTALS URGENCY ORDINANCE

BACKGROUND: The City does not currently have formally adopted regulations addressing the rental of residential properties for a period of less than 30 calendar days (short-term rentals) as a land use separate and distinct from a residential land use. Unregulated short-term rentals have the potential to pose public safety hazards by impacting the ability of neighborhoods to safely evacuate during emergency events due to excessive parking on narrow streets. There is also a decreased ability to communicate with transient renters who may not be familiar with local warning and alert systems. Unregulated short-term rental activities have also led to increased frequency of complaints related to noise, occupancy, and large events requesting Police, Code Enforcement, and

Planning staff response despite a lack of resources or a regulatory framework for enforcement.

The purpose of this ordinance is to provide a regulatory framework for short-term rentals in order to preserve the public peace, welfare, health, and safety by providing operating standards to address community compatibility, public safety threats due to wildfires and other potential emergencies requiring evacuation, limited housing stock, and the COVID-19 pandemic. The Santa Rosa City Charter authorizes the City Council to adopt an urgency ordinance if necessary to preserve the public peace, health, or safety if the ordinance contains the reasons for its urgency. An urgency ordinance requires a 5/7 Council vote and is effective immediately after adoption.

RECOMMENDATION: The Planning and Economic Development recommends that the Council adopt an urgency ordinance to amend Title 20 of the City Zoning Code to add Chapter 20-48, Short-Term Rentals, to regulate short-term rentals, defined generally as the rental of residential property for a period of less than 30 calendar days.
