#### **1. CALL TO ORDER AND ROLL CALL**

#### **2. PUBLIC COMMENTS**

**This is the time when any person may address matters not listed on this  
agenda, but which are within the subject matter of the jurisdiction. The public  
may comment on agenda items when the item is called. Each speaker is  
allowed three minutes.**

### 3. DEPARTMENT REPORTS

This time is reserved for City staff to provide a briefing on issues of interest. No action will be taken on these matters except to possibly place a particular item on a future agenda for consideration.

### 4. NEW BUSINESS

#### 4.1 UPCOMING CODE ADOPTIONS - ALL-ELECTRIC ONLY REQUIREMENTS AND PROPOSALS

Staff will provide an update on the 2019 City Council adopted All-Electric Only Ordinance. The requirement applies to all new Low-Rise Residential construction (3-stories or less). Council adopted a stand-alone ordinance based in the California Energy Code which required the execution of a cost-effectiveness study. The California Energy Commission has determined that Reach Code adoptions for decarbonization do not require a cost-effectiveness study for 2022 codes provided the adoption resides within the California Green Building Standards Code. For 2023; it is proposed to adopt the All-Electric Only requirement for new Low-Rise Residential construction by amending the 2022 California Green Building Standards Code. The Subcommittee may discuss this item and provide direction to staff.

#### 4.2 CITYBUS SHORT RANGE TRANSIT PLAN: SERVICE OVERVIEW AND PRIORITIES

Staff will provide an update on the Short Range Transit Plan (SRTP). The SRTP serves as a policy, planning, and programming document, laying out the anticipated service plan, capital program, and operations budget over a ten-year period. All transit operators receiving federal funding through the Metropolitan Transportation Commission (MTC) are required to complete a SRTP every four years.

In addition to providing a “road map” for short-term service and fare changes and capital program priorities, the SRTP serves as a critical step in the development of the Bay Area’s Regional Transportation Plan

(RTP). Together, the SRTP and RTP justify the programming and awarding of state and federal operating and capital grants to support Santa Rosa CityBus. The Subcommittee may discuss this item and provide direction to staff.
