“Not A Project”

The request for the Design Review Board to provide comments and direction for a concept design review item is exempt from the California Environmental Quality Act (CEQA) because there is no possibility that the action will have any effect on the environment (CEQA Guidelines Sections 15061(b)(3) and 15378).

Recommendation

The Applicant and the Planning and Economic Development Department are requesting that the Design Review Board provide comments and direction for the Airway Self-Storage project.
