

Approval – Waiver of Competitive Bid and Issuance of Blanket Purchase Orders for Asphalt Concrete Supplies

City Council Meeting
June 7, 2022

Jeremy Gundy
Deputy Director, Transportation and Public Works

CURRENT

- On July 11, 2022, the General Service Agreement for asphalt supply with Syar Industries, Inc. will expire.
- Syar Industries, Inc. is currently the sole provider of asphalt concrete supply for the City.

PROPOSED

- A Waiver of Competitive Bid and issuance of Blanket Purchase Orders (BPO) to Bodean Co., Inc. and Syar Industries, Inc., will replace the expiring General Service Agreement.
- Both BPO's include an agreed upon price adjustment formula that will justify any future changes in pricing.

BENEFIT

- Both vendors proximity to the City is a cost-effective benefit and fulfills the City's need for asphalt supply.
- Issuance of multiple BPO's insures that during summer months when there is high demand, product will always be available.

RECOMMENDATION

- It is recommended by the Transportation and Public Works, Finance and Water Departments that City Council, approve a Waiver of Competitive bid and award two (2) one-year Blanket Purchase Order (BPO), with four (4) one-year extension options to Bodean Co., Inc., Santa Rosa, California, in the total amount not to exceed \$550,000 and to Syar Industries, Inc., Napa, California, in the total amount not to exceed \$550,000.
