Hello Mike,

We may not be able to attend the public meeting on Aug. 18 regarding the property at 980 Madelyne Ct. but wanted to be sure to let you know that we are in favor of Gary Gillet's plans for the property. Our property is across the street at 1001 White Oak Drive so we have observed first-hand how well Gary takes care of his property. It is pristine, and he doesn't even live there yet.

We are confident we are getting a great neighbor when Gary's home is finished and he moves in.

Thank you,

Anne and Mike Ernst
