## General operating requirements

- The project Odor Mitigation Plan has been certified by a licensed engineer ensuring that all mitigation controls are sufficient to effectively mitigate odors from all sources.
- The project Security Protocol procedures to effectively prevent theft or diversion of any cannabis or currency, as well as to discourage loitering, crime, and illegal or nuisance activities through a camera surveillance system, a professionally monitored alarm system and secure storage.
- The transport/delivery area will be inside of the building to facilitate secure transport of material to and from the business.
- The project is subject to Building and Fire permits, as described in Building and Fire Code Requirements for Cannabis Related Occupancies.

The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA) and staff has determined that the project qualifies for:

- Class 1 Categorical Exemption under CEQA Guidelines Section 15301
- Class 3 Categorical Exemption under CEQA Guidelines Section 15303
- Class 32 Categorical Exemption under CEQA Section 15332

The Planning and Economic Development Department recommends that the Planning Commission, by resolution, approve a Conditional Use Permit to allow a Cannabis Microbusiness with Cannabis Retail (Dispensary & Delivery), Cannabis Manufacturing – level 1 (non-volatile), Cannabis Distribution, and Cannabis Cultivation within an existing 4,130 square-foot Light Industry IL zoned industrial building located at 1626 Piner Road.
