Flag Status: Completed

Hi Ms. Thompson,

My name is Vijay Kareesan. I am interested in painting a mural in Santa Rosa.

The painting location is Dutch Flohr Park. I will be painting the back of the East border fences of the park, and the fences are 8ft tall and 150ft long and are wooden. The fences are behind 1151,1155, and 1159 Tyne Court.

There is a lot of vandalism on fences, and painting murals on the fences will stop the vandalism. Also I am painting the mural to make the fences look better with art and a lot of color. I will make it have a positive message about everyone being together, and helping each other, to make people feel good and motivated. I will paint famous places and things in Sonoma County and Santa Rosa because people in Santa Rosa will know the places and will like the mural more.

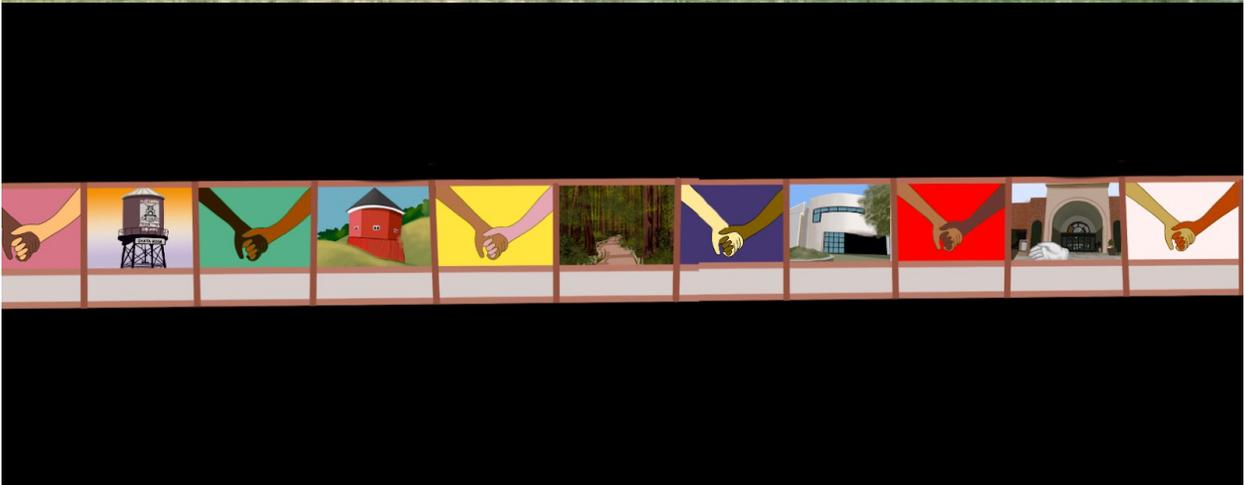

I am designing and painting the mural. I am a junior lead artist for SoCo Monarch Project, and helped design and paint a mural in Creekside high school and Black oak coffee. I was an artist apprentice for Artstart, and helped them paint a mural for Recology, and for Amarosa Academy.

Link to full artist resume:

<https://docs.google.com/document/d/148xq0ZxFuE5srHVAVbRNAXBSHKb6HudtoMeIrNiPyI8/edit>

The total project budget is \$200 (self-funded, using paint that was returned and is at a lower price than regular paint)

Mural design

Look forward to hearing back,

Vijay Kareesan
