The Order, and these "Terms and Conditions," together with any attachments, constitutes the entire agreement between the parties. Any terms proposed in Contractor's acceptance of City's Order which add to, vary from or conflict with the terms herein are null and void. No waiver, modification or addition to the terms of this Order shall be valid unless in writing and made in accordance with Section 2, CHANGE ORDER below.
2. CHANGE ORDER: The City may at any time prior to the delivery date specified herein, issue a written change order for the modification of the Order. Such modification(s) shall be the result of negotiation and agreement between both parties. No change in this Order shall be made unless the City gives its prior written approval. Contractor shall be liable for all direct and consequential damages resulting from any unauthorized changes to the Order.
3. ASSIGNMENT AND SUBCONTRACTING: Contractor shall not assign or subcontract the Order, or any part thereof, without the previous written consent of City, nor shall Contractor assign, by power of attorney or otherwise, any of the money payable under this Order unless the prior written consent of the City has been obtained. No right under this Order, nor any claim for money due, or to become due hereunder, shall be asserted against the City, or persons acting for the City, by reason of any so-called assignment of this Order or any part thereof, or to become due under this Order. The instrument of assignment shall contain a clause subordinating the claim of the assignee to all prior liens for services rendered or goods supplied.

Should any subcontractor fail to perform in a satisfactory manner the work undertaken by subcontractor, the subcontract shall be immediately terminated by Contractor upon notice from the City. Contractor shall be fully responsible and accountable to the City for the negligent acts and omissions of any subcontractors, and of persons directly or indirectly employed by the subcontractor, as it is for the negligent acts and omissions of persons directly employed by Contractor. Nothing contained herein shall create any contractual relationship between any subcontractor and the City.

4. DELIVERY: All ordered goods shall be delivered F.O.B. destination, delivery charges prepaid, unless otherwise shown on the front of the Order. The goods shall be delivered to the individual project site locations. If the generators arrive prior to a period of 10 calendar days from the issuance of the Notice to Proceed to the lowest responsible bidder, the generators shall be delivered to the address shown below:

Contractor shall be liable for damages resulting from Contractor's failure to deliver by the delivery date or in conformance with this Order. Goods or the tender of delivery that fail in any respect to conform to the Order will not be accepted unless the City gives its written acceptance.

5. INSPECTION: The City reserves the right before payment or acceptance to inspect all goods, and shall have the right to reject all goods that do not conform to the Order, provided; however, the City will make a visual inspection upon product delivery and note any observed damage. The City reserves the right to extend the date of acceptance until it can be determined that the generators are in proper working order according to manufacturer's specifications.
6. TITLE: Title to goods shall pass to the City at the F.O.B. point designated under Section 4 DELIVERY, subject to the City's right to reject the goods.
7. ACCEPTANCE AND PAYMENT: Acceptance shall be made when the City determines the goods conform to the Order, or when City notifies Contractor that it will accept the goods or services despite nonconformity. Unless otherwise stated in the Order, payment terms are net 30 days. In no event shall City be obligated to pay late fees or interest, whether or not such requirements are contained in Contractor's invoice. Payment will be scheduled upon complete delivery and acceptance of all goods or services and receipt of an original and one copy of an invoice acceptable to the City. Invoices for goods provided in June or for any goods not previously invoiced shall be submitted to City no later than July 10 to facilitate City fiscal year end closing.
