Every year, pursuant to the City Charter, the City Council holds a public hearing to solicit input from the community on priorities to be considered for the upcoming budget. This meeting complies with Charter requirements relative to posting and being held prior to the City Council goal setting meeting. It also marks the kick-off of the Fiscal Year (FY) 2023/24 budget process.

BACKGROUND

The City Charter, Section 28(a), states that "...not later than March 31st of each year and prior to any annual goal setting meeting held by the Council, the Council shall hold a public hearing seeking oral and written comment from the public on budget priorities for the upcoming fiscal year."

Public input is an important component to the preparation of the budget. This public hearing also provides information to the City Council as they establish and refine their Council Goals. In addition to this public hearing, members of the public may provide comments or suggestions at any time on the City's website.
