Santa Rosa Community Farmers' Market Project Description

Agricultural Community Events Farmers' Market is a 501c5 non profit which supports agriculture and agriculture related products through community farmers' markets.

Santa Rosa Community Farmers' Market is a weekly farmers' market that takes place at 1501 Farmers Lane on Wednesdays 9am to 1pm and Saturdays 8:30am to 1pm year round. The farmers market sets up 1.5 hours before the market and vacates the property within 1 hour after closing time.

The farmers market on Wednesday occupies one row in the parking lot located at 1501 Farmers Lane. On Saturdays the farmers' market occupies 2.5 rows in the parking lot.. The farmers market is a group of California farmers', local food producers and artisans. Agricultural Community Events Farmers' Market staff is responsible for removing all garbage created by the farmers market patrons. A portable toilet for the vendors and public to use.
