- ⑭ PORCH @ RESIDENCE, S.I.C.D.

Proposed Building Elevations (1 of 2)

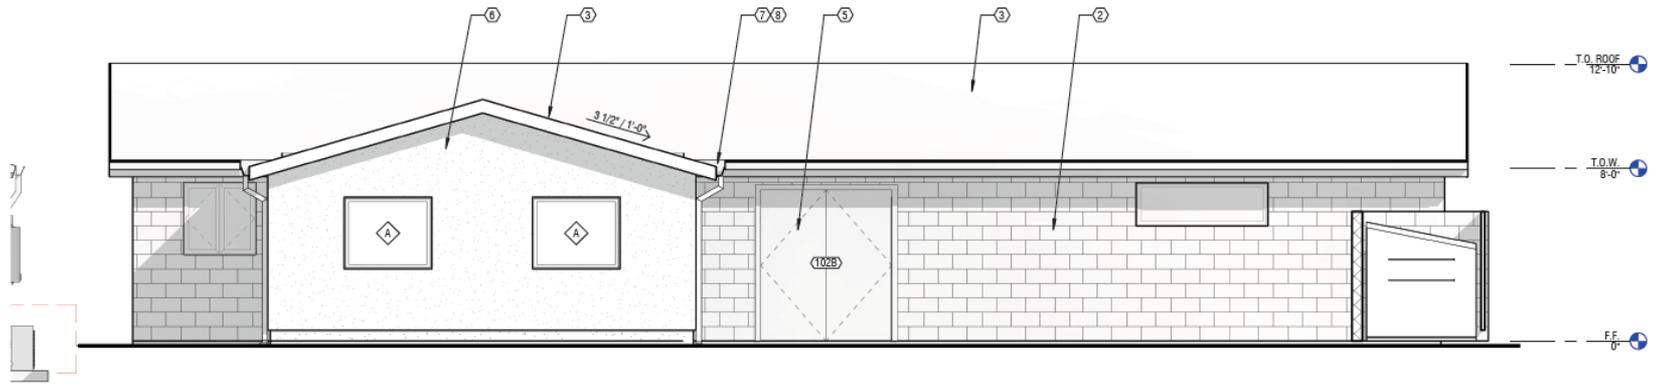

1 WEST ELEVATION - PROPOSED
1/4" = 1'-0"

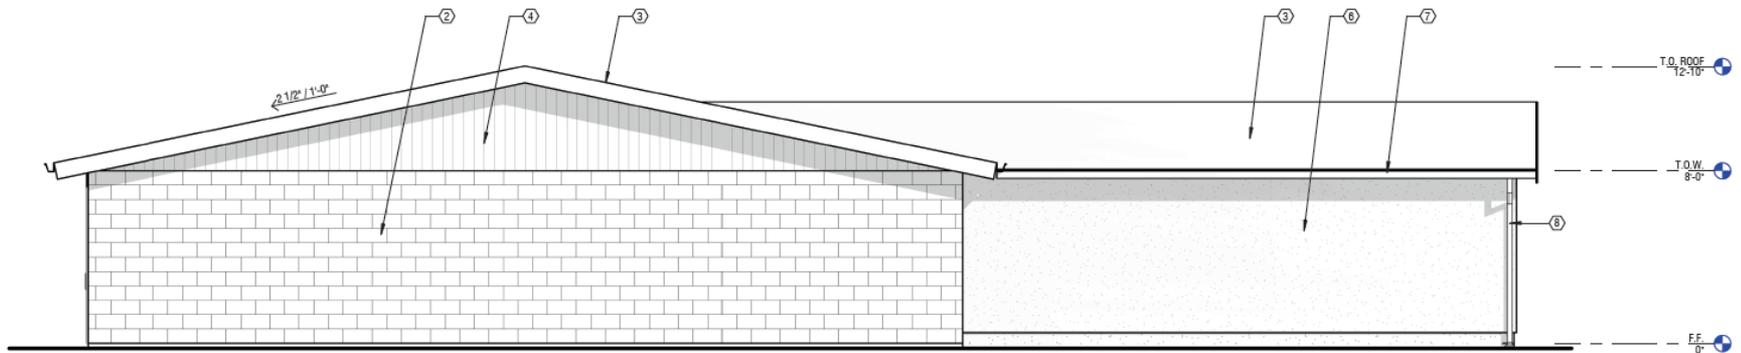

2 NORTH ELEVATION - PROPOSED
1/4" = 1'-0"

Proposed Building Elevation (2 of 2)

3 EAST ELEVATION - PROPOSED
1/4" = 1'-0"

4 SOUTH ELEVATION - PROPOSED
1/4" = 1'-0"

Required Findings

1. The design and layout of the proposed development is of superior quality, and is consistent with the Retail and Business Services General Plan Land Use designation, the applicable Zoning Code standards and requirements, the City's Design Guidelines, and other applicable City requirements
2. The design is appropriate for the use and location of the proposed development and achieves the goals, review criteria, and findings for approval as set forth in the City's Design Guidelines, Framework of Design Review,
3. The design and layout of the proposed development will not interfere with the use and enjoyment of neighboring existing or future developments
4. The architectural design of the proposed development is compatible with the character of the surrounding neighborhood
5. The design of the proposed development will provide a desirable environment for its occupants, visiting public, and its neighbors through the appropriate use of materials, texture, and color and will remain aesthetically appealing and be appropriately maintained
6. The proposed development will not be detrimental to the public health, safety, or welfare or materially injurious to the properties or improvements in the vicinity

Environmental Review

California Environmental Quality Act (CEQA)

- The proposed project has been reviewed in compliance with the California Environmental Quality Act (CEQA):
 - Exempt - Class 2 (Infill) and Class 4 (new <10K SF) Project
 - Exempt In part exempt as a Class 11 Project for small parking lots
- Biological Assessment submitted October 2022 - no effects will occur within the project area.

- Existing House.

It is recommended by the Planning and Economic Development Department that the Zoning Administrator, by Resolution, approve a Minor Design Review for the remodel of the existing building and improvements to the site as indicated in the attachments for the site located at 910 Fresno Ave.
