Environmental Review

California Environmental Quality Act (CEQA)

Pursuant to CEQA Guidelines Section 15303 (New Construction or Conversion of Small Structures), the project is categorically exempt from CEQA because one single-family residence is proposed for construction within a residential zone.

The Planning and Economic Development Department recommends the Zoning Administrator, by resolution, approve a Hillside Development Permit to allow a single-family residence and attached ADU for the property located at 1964 Cooper Drive.
