

ADDITIONAL MASTER AGREEMENTS TO PROVIDE PROFESSIONAL SERVICES

City Council
June 9, 2015

Background

- ▶ City staff routinely hire consultants when specialized expertise or additional engineering capacity is needed.
- ▶ Usage of Master Professional Services Agreements (MPSAs) makes the consultant hiring process more efficient by prequalifying consultants for future work.
- ▶ Council previously authorized Project Work Orders under MPSAs with a cumulative not-to-exceed sum of \$15 million for fiscal year 2014-15.
- ▶ The City annually solicits Statements of Qualifications to assure the City has the best consultants available for use under MPSAs.

List of potential new consultants for 2015

1. **Gregory D. Rinehart & Associates** - Appraisal Services
2. **Hazen & Sawyer** - Environmental Engineers & Scientists
Water Related Projects
3. **HSI Engineering** - Geotechnical Investigation Services
Pavement Engineering
4. **Ward Levy Appraisal Group** - Appraisal Services

If approved, this will bring the total number of MPSAs to 87.

Recommendation

- ▶ It is recommended by the Transportation and Public Works Department that the Council, by resolution, approve four Master Professional Services Agreements (MPSAs) and include Project Work Orders under these MPSAs in the cumulative not to exceed sum of fifteen million dollars (\$15,000,000) for FY 2015-16 authorized for existing MPSAs by Resolution No. 28618.
