Hi Amy,

I can't attend the hearing so I thought I would e-mail you. The only concern I have, is the extra traffic.....I hope there will be enough parking, otherwise it will create some problems in that area. We live at 1127 Cleveland, just north of College. I walk by there all the time, so I'm very familiar with that corner.....it's a very crowded, busy area.

Hi Amy,

We live at 1127 Cleveland close to College. We think that the renovation of the property at College and Cleveland is a great idea and will be a benefit for the neighborhood.....

Thank you.

One comment, if the property involved covers the area where the sidewalk disappears on Cleveland, we need to get the sidewalk back on that side (west side of Cleveland Avenue). See photo below.
