Membership

Composition of the Advisory Committee is intended to represent the beneficial uses and users of groundwater identified in the Sustainable Groundwater Management Act. Committee members may not serve concurrently on the Agency Board. Members must live or work within the Santa Rosa Plain Groundwater Basin or represent an organization with a presence in Santa Rosa Plain Groundwater Basin, identified by the Department of Water Resources current Bulletin 118. Committee membership is based on the interest group and member agency designations described below. Notwithstanding the foregoing, the Board may choose to appoint one of the interest-based members of the Advisory Committee from outside the Bulletin 118 Basin, provided such member resides, works or represents an organization with a presence in the watershed which contributes to the Basin.

Each Member of the Agency, as well as the MWC/PUCRs, will appoint a representative from staff or the community to the Advisory Committee, for a total of nine members:

1. City of Santa Rosa

2. Town of Windsor
3. City of Rohnert Park
4. City of Cotati
5. Sonoma County
6. Sonoma County Water Agency
7. Sonoma Resource Conservation District
8. Gold Ridge Resource Conservation District
9. Mutual Water Companies/ PUC-Regulated

The following GSA eligible entities have elected not to participate on the Agency Board but shall hold a seat on the Advisory Committee. These entities, not the Agency Board, will appoint their representatives:

10. Graton Rancheria
11. City of Sebastopol

The Agency Board will appoint 7 interest-based members:

12. Environmental representative
13. Environmental representative
14. Rural residential well owner
15. Rural residential well owner
16. Business community representative
17. Agricultural interest (surface water or GW user)
18. Agricultural interest (surface water or GW user)

Member Appointment

The Agency Board will appoint members to fill the interest-based seats. Interested individuals from the community or local organizations may apply to the Agency Board, designating in the application the seat that the applicant would intend to fill.

The Agency Board encourages entities and individuals within each interest group to work together to recommend a single candidate to fill that interest's seat. The Agency Board will give strong consideration to appointing candidates that have the backing of multiple organizations or individuals within that interest group.

The Agency Board encourages candidates with experience and familiarity with groundwater and its management. The Agency Board will also give preference to applicants with experience working with diverse community-based groups.

For one of the rural residential well representatives, the Agency Board will give preference to appointees that can represent the interests of disadvantaged populations or interests that are otherwise under-represented on the Advisory Committee.

For agricultural representatives, preference will be given for diversity between surface and groundwater reliance for agricultural operations.

Application Timeline

The Agency Board will establish a timeline and process for appointment of the initial advisory committee following Agency formation. In subsequent years, applicants will submit an application and statement of interest for vacant seats to the Agency Board by October 1 of the year prior to the beginning of the term for that seat. The GSA will post applications on its web site. At-large appointments from Members will be due to the Agency Board by November 1st. The GSA governing board will appoint interest-based committee members at its final meeting of each calendar year as necessary. Terms will commence in January of the subsequent year.

Advisory Committee Member Terms

The initial Advisory Committee appointments will include seats with three-year terms (interest-based categories) and two-year terms (at-large). Following initial committee appointment, all member terms will be two years. Advisory Committee Members are not term-limited; however, interest-based members must apply for each term. If a vacancy occurs for an interest-based seat before the end of the term, the Agency Board will appoint a new member to complete the term. At-large vacancies shall be filled by the Member agency.

The Agency Board can remove an interest-based committee member if the member is not performing responsibilities. The Agency Board will appoint alternates if the Board deems alternate committee members necessary. If appointing alternates, the Agency Board will request that the Member agency also provide alternates for at-large members.

Decision Making and Governing Board Consideration

To inform Agency Board decision-making, the Advisory Committee will provide written recommendations in reports. The recommendations reports will identify areas of agreement and disagreement. The committee will strive for consensus when possible, but reaching consensus is not necessary. Consensus means that everyone can at least “live with it.” When unable to reach consensus on recommendations, the committee will outline the areas in which it does not agree, providing some explanation to inform Agency Board decision-making.

The committee may request that one or more committee members present its recommendations to the Agency Board, including areas of agreement and disagreement, consistent with committee deliberations.

Pursuant to Agency Board direction, Agency staff will develop the annual work plan and schedule for committee meetings. The Advisory Committee will adopt a charter and will appoint a chair and vice-chair.

The Agency Board will consider advisory committee recommendations when making decisions. If the Agency Board does not agree with the recommendations of the Advisory Committee, the Agency Board shall state the reasons for its decision.

Public Process

All Advisory Committee meetings are subject to the Brown Act and will be open to the

public. The GSA will announce committee meetings on its web site and through its regular communication channels.
