- D. The parties have negotiated upon the terms pursuant to which Contractor will provide services under this Agreement and Authority will fund the services and have herein reduced such terms to writing.

AGREEMENT

1. SCOPE OF SERVICES

Contractor shall, in a manner satisfactory to Authority, and consistent with 24 CFR 570, Subpart C – Eligible Activities, and 2 CFR 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, perform the scope of services described in Exhibit A (“Scope of Services”). Contractor is required to report deviations from budget or Scope of Services as per 2 CFR 200.308 – Revision of Budget and Program Plans.

2. TERM OF AGREEMENT

The term of this Agreement shall commence on July 1, 2017, and end on June 30, 2018.

3. GRANT

Notwithstanding any other provision of this Agreement, Program funding from Authority to Contractor shall not exceed One hundred two thousand five hundred twenty and no/100 dollars (\$102,520). The City of Santa Rosa's (City) Chief Financial Officer is authorized to pay all proper claims from Key 42006.

Payments by Authority to Contractor shall be made monthly in arrears on the basis of the Budget in Exhibit B and upon the proper documentation of expenditures. On or before the fifteenth day of each month, Contractor shall submit an invoice to Authority for the prior month. The Executive Director of Authority (Director) will review each invoice and may deny reimbursement where: 1) an expenditure is questionable or improperly documented; or 2) Contractor has not provided Program services. Invoices submitted after 30 days shall include acceptable written justification for the delay.

In the event that the Director determines that Contractor is not fully providing the Program services identified in Exhibit A, he shall have the right to reduce the grant award, unless the failure to provide services is beyond Contractor's control. The exercise by the Director of Authority's rights under this provision shall not be construed as a waiver by Authority of any other right or remedy.

4. INSURANCE

Contractor shall maintain in full force and effect all of the insurance coverage described in, and in accordance with, Attachment One, "Insurance Requirements" which is attached hereto and hereby incorporated and made part of this Agreement by this reference. Maintenance of the insurance coverage as set forth in Attachment One is a material element of this Agreement and a material part of the consideration provided by Contractor in exchange for City's agreement to make the payments prescribed hereunder. Failure by Contractor to (i) maintain or renew coverage, (ii) provide City notice of any changes, modifications, or reductions in coverage, or (iii) provide evidence of renewal, may be treated by City as a material breach of this Agreement by Contractor, whereas City shall be entitled to all rights and remedies at law or in equity, including but not limited to immediate termination of this Agreement. Notwithstanding the foregoing, any failure by Contractor to maintain required insurance coverage shall not excuse or alleviate Contractor from any of its other duties or obligations under this Agreement. In the event Contractor, with approval of City pursuant to Section 10 below, retains or utilizes any subcontractors or sub-consultants in the provision of any services under this Agreement, Contractor shall assure that any such subcontractor has first obtained, and shall maintain, all of the insurance coverage requirements set forth in the Insurance Requirements in Attachment One.

5. INDEMNITY/LIABILITY

Contractor shall, to the fullest extent permitted by law, indemnify, protect, defend and hold harmless Authority, City, and their employees, officials and agents ("Indemnified Parties") from all claims, demands, costs, or liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory

proceedings, losses, expenses, or costs of any kind, interest, defense costs, and expert witness fees), that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Contractor, its officers, employees, volunteers, or agents, in said performance of services under this Agreement, excepting only liability arising from the sole negligence, active negligence or intentional misconduct of Authority. If there is a possible obligation to indemnify, Contractor's duty to defend exists regardless of whether it is ultimately determined that there is no obligation to indemnify.

6. INDEPENDENT CONTRACTOR

The parties intend that Contractor, in performing services herein specified, shall act as an independent contractor and shall have control of its work and the manner in which it is performed. It shall be free to contract for similar services to be performed for other employers while it is under contract with Authority. Contractor is not to be considered an agent or employee of Authority and is not entitled to participate in any pension plan, medical, or dental plans, or any other benefit provided by Authority for its employees.

This assurance shall obligate Contractor, or in the case of any transfer, the transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

B. Fair Housing Act of 1968

The Fair Housing Act (42 U.S.C. §§ 3601-3620; P.L. 90-284) states that it is the policy of the United States to provide, within constitutional limitations, for fair housing throughout the United States and prohibits any person from discriminating in the sale or rental of housing, the financing of housing, or the provision of brokerage services, including in any way making unavailable or denying a dwelling to any person, because

of race, color, religion, sex, national origin, handicap or familial status. Contractor shall administer all programs and activities assisted under this Agreement in a manner to affirmatively further the policies of the Fair Housing Act.

C. Executive Order 11063 -- Equal Opportunity in Housing

Executive Order 11063, as amended by Executive Order 12259, and regulations pursuant thereto (24 CFR § 107), prohibits discrimination because of race, color, creed, sex, or national origin in the sale, leasing, rental or other disposition of residential property and related facilities (including land to be developed for residential use), or in the use or occupancy thereof, if such property and related facilities are provided with Federal financial assistance.

D. Section 109 of the Housing and Community Development Act of 1974

The Limited English Proficiency (LEP) Guidelines, based upon Title VI of the Civil Rights Act of 1964 (24 CFR 1.4 Executive Order 13166) requires recipients of federal funding to provide language translation or interpreter services to its clients and potential

clients who are limited in English proficiency.

A person with Limited English Proficiency (LEP) is a person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English. Affirmative steps must be taken to communicate with people who need services or information in a language other than English. A policy must be developed to serve applicants, participants, and/or persons eligible for housing assistance and support services.

Contractor must analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. In order to determine the level of access needed by LEP persons, the following four factors must be balanced:

1. the number or proportion of LEP persons eligible to be served or likely to be applying for program services;
2. the frequency with which LEP persons utilize these programs and services;
3. the nature and importance of the program, activity, or service provided; and
4. the benefits from providing LEP services, and the resources available and costs to the CDC for those services.

Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the Contractor. Contractor shall develop and implement a LEP policy consistent with the above guidelines and provide City and Authority with copies of its LEP Policy.

G. Section 504 of the Rehabilitation Act of 1973 and Americans with Disabilities Act of 1990

H. Age Discrimination Act of 1975

The Age Discrimination Act of 1975, as amended, prohibits discrimination because of age in programs and activities receiving Federal financial assistance.

I. Executive Orders 11625, 12432, 12138 - Minority and Women Owned

19. DRUG-FREE WORKPLACE

Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on Contractor's premises. Contractor agrees that any violation of this prohibition by the Contractor, its employees, agents or assigns will be deemed a material breach of this Agreement.

20. ASSIGNMENT

Contractor shall not assign any rights or duties under this Agreement to a third party without the express written consent of Authority.

21. MODIFICATION

This Agreement shall not be modified except in writing executed by both parties.

22. TERMINATION OF AGREEMENT

Authority may terminate this Agreement immediately for cause, which shall include as example but not as a limitation:

A. Failure, for any reason, of Contractor to fulfill, in a timely and proper manner, its obligations under this Agreement including compliance with Authority, City, State, and Federal laws and regulations and applicable directives;

B. Failure to meet the performance standards contained in other sections of this Agreement;

C. Improper use or reporting of funds provided under this Agreement;

D. Suspension, termination, or modification by HUD (or by any other entity or agency) of any of the grants upon which Authority planned to fund this Agreement;

E. Any event, (whether natural, social, political or financial) which is beyond the control of Authority and which results in a change in the funds available to Authority, or which triggers a need by Authority to reallocate funding to Contractor.

F. In connection with the provisions of subsections D and E, above, Contractor understands that Authority has based its overall allocation of funds to

Contractor and to other recipients on an assumed level of contribution from outside sources and on the basis of current budgeting requirements. It is therefore agreed that during the term of this Agreement, should all or any part of the funding available to Authority be reduced in any amount whatsoever, or should Authority be faced with unusual or unexpected natural, social, political, or financial events which diminish Authority's ability to fund agreements with Contractor and other recipients, or which events generate additional needs in the community, then Authority shall have the right to review and reallocate or reduce the amount of funding to be advanced to Contractor under this Agreement. There is no requirement that such reallocation and reduction, if any, be proportionate among the various recipients under contract with Authority. On any of the occurrences described above, Authority may terminate all or any part of the remaining funding due to Contractor under this Agreement. Authority shall have the sole discretion to determine whether there is a need to reallocate or terminate funding to Contractor, as well as the sole discretion to determine the amount of the reduction and reallocation.

Should such a reduction in funding occur, Authority shall notify Contractor as soon as reasonably practicable after Authority has made the determination of the need to reconsider its funding allocation. Should there be a modification of this Agreement, the modification shall take effect upon notice from Authority to Contractor in writing. All other terms and conditions of the Agreement shall remain in effect.

In no event shall Authority be obligated to fund any part of this Agreement from Authority's own financial resources.

23. REMEDIES FOR NONCOMPLIANCE

A. If Contractor materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, a notice of award, or elsewhere, Authority may take one or more of the following actions, as appropriate in the circumstances, and as per 2 CFR 200.338-200.342 – Remedies for Noncompliance:

- i. Temporarily withhold cash payments pending correction of the deficiency by Contractor or more severe enforcement action;
- ii. Disallow (that is, deny both use of funds and matching credit for all or part of the cost of the activity or action not in compliance);
- iii. Wholly or partly suspend or terminate the current award for Contractor's Program;
- iv. Withhold further awards for the Program; or
- v. Take other remedies that may be legally available.

B. **HEARINGS, APPEALS:** In taking an enforcement action, Authority will provide Contractor an opportunity for such hearing, appeal or other administrative proceeding to which the Contractor is entitled under any statute or regulation applicable to the action involved.

C. EFFECTS OF SUSPENSION AND TERMINATION: Costs incurred by Contractor during a suspension or after termination of an award are not allowable unless Authority expressly authorizes them in the notice of suspension or termination or subsequently. Other Contractor costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

i. The costs result from obligations which were properly incurred by Contractor before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and

ii. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

D. RELATIONSHIP TO DEBARMENT AND SUSPENSION: The enforcement remedies identified in this section, including suspension and termination, do not preclude Contractor from being subject to 2 CFR part 2424 (see 24 CFR §85.35).

24. LAWS, REGULATIONS, FEES, TAXES

A. Contractor shall carry out its responsibilities pursuant to this Agreement in accordance with all applicable Federal, State and Local laws and all policies, procedures, regulations and requirements as HUD, State, City and Authority from time to time prescribe.

C. Contractor shall pay all fees and taxes as required by law.

Exhibit A – Scope of Services
Catholic Charities of the Diocese of Santa Rosa Homeless Service Center
Community Development Block Grant (CDBG) Public Services Program

Operate the Homeless Service Center (HSC) to provide showers, laundry, telephone, mail service, information, and referrals for the most vulnerable homeless population, always with the aim of exiting participants out of homelessness and into housing. In coordination with Coordinated Intake (CI), Santa Rosa's and Sonoma County's centralized homeless services intake provider, HSC will serve as the intake point for two homeless shelters: Samuel Jones Hall and the Nightingale Shelter (26 medical respite beds at Samuel Jones Hall and the Brookwood Health Center). HSC will also continue to serve as the access point for the Safe Parking Program that provides safe, monitored parking places throughout Sonoma County for homeless individuals and families residing in their vehicles.

Program staff will serve as the liaison between the community and the homeless population and respond to neighborhood issues such as loitering, vandalism, littering, or public intoxication. HSC will continue to hold its targeted "Friday Outreach" effort weekly from 7AM – 8AM, which is open to all, but specifically targets homeless individuals and families who have yet to engage in housing services. HSC will continue to serve as the hub for referral information and access to local community resources and to coordinate Homeless Outreach Services (HOST) services for Santa Rosa.

Planned outputs include:

- 1,800 unduplicated individuals and children will utilize general services;
- 9,600 showers and 3,000 laundries measured by shower and laundry logs;
- 2,700 assessments/intakes completed for services like HSC, Safe Parking, Shelters, severe weather events, etc.;
- 600 referrals to Samuel Jones Hall and Nightingale; and
- 200 hours of HSC operation.

HSC will provide a system of care and support for homeless people which includes a safe, clean place to stay and referral to appropriate community resources. Planned indicators include:

- 100% of clients will complete intake with a trained homeless volunteer, measured by intake forms on file;
- 30% of previously unidentified homeless individuals who have not previously been enrolled in homeless services will be new to the homeless system of care; and
