

MEMORANDUM

DATE: January 16, 2018

TO: Chair Cisco and Members of the Commission

FROM: Jessica Jones, Supervising Planner

CC: Clare Hartman, Deputy Director – Planning
David Guhin, Planning and Economic Development Director

SUBJECT: Resilient City Development Measures

A proposed Zoning Code Text Amendment, to add Chapter 20-16, Resilient City Development Measures, has been noticed as a public hearing for the January 25, 2018 Planning Commission meeting.

The proposed amendment would address housing needs and economic development within the City following the Tubbs and Nuns fires of October 2017.

In order to allow additional time to vet the proposed Text Amendment with the public, and provide sufficient time for the Planning Commission to review the proposal, staff is recommending that the Resilient City Development Measures public hearing be continued to the February 8, 2018 meeting.
