DIGITAL GOVERNMENT / OPEN DATA AGREEMENT WITH SOCRATA, INC.

Eric McHenry

Director and Chief Information Officer

Information Technology Department

January 30, 2018

Socrata Extension

- The City utilizes several products from Socrata, Inc., key to open data and digital government services. This agreement extends the current Socrata services by one additional year.

Socrata Agreement

- Open Data Platform – data.srcity.org open data application

- Open Budget Platform – budget.srcity.org open budget application

- Performance Measures Platform – new performance measures application, launched in 2017.

Socrata Agreement

As of December 2017, the City Open Data Initiative includes the following publicly available information:

- 126 data sets (public safety, finance, recreation & parks, etc)

- 25 maps derived from datasets

- 50 charts derived from datasets

- 74 performance measures

Socrata Agreement

- The City has been satisfied with the integrated suite of Socrata solutions for three years.
- Staff has identified no practical reason for initiating a change to a similar legislative platform.
  - Complexity
  - Staff time
  - Cost
