BACKGROUND

Public Outreach

At the meeting on January 18, 2018, the Board requested that staff put a standing item on the agenda for the Bicycle and Pedestrian Master Plan Update 2018 progress including the community outreach components.

At the January meeting, staff provided the Board with a draft online survey prepared by the Consultant. The Board provided comments on the draft online survey. In addition, they provided contacts for stakeholder groups.

Plan Update Process

In addition, the Board in January agreed to meet monthly to address items related to the Plan Update. Below is a reminder of the tentative schedule of items the Consultant is planning on bringing to the Board.

- **February** – Review Bicycle Friendly Community Designation Analysis
- **March** – Review Existing Conditions and Level of Traffic Stress
- **April** – Review Design Guidelines
- **June** – Review Program Recommendations
- **July** – Review Network Recommendations

The Consultant is aware that the Board will need deliverables two (2) weeks in advance to review material before meeting.

ANALYSIS

The Board can take this opportunity to further discuss the public outreach component directly with the Consultant.
