

Santa Rosa Fire Station General Plan Amendment

April 12, 2018

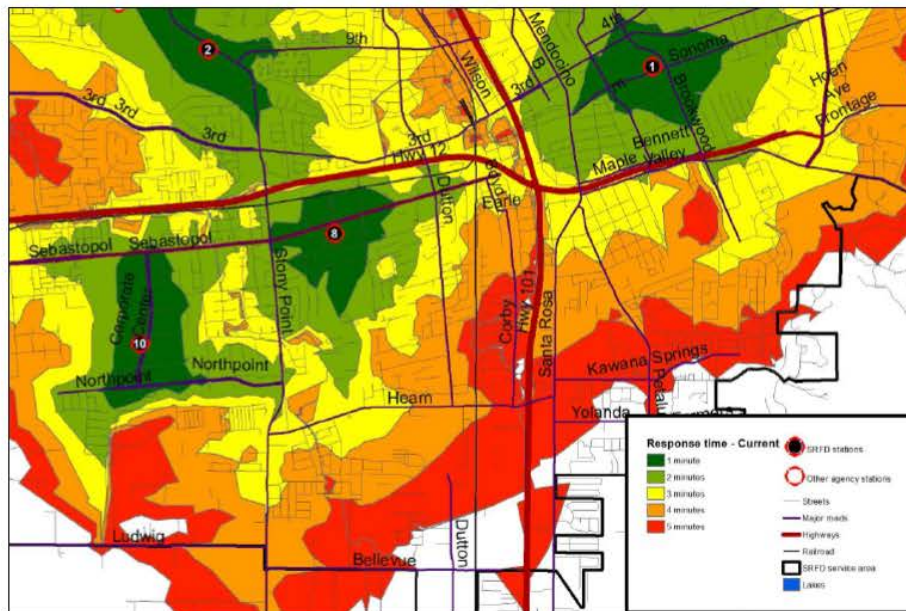

Eric Gage
City Planner
Planning and Economic Development

- General Plan Amendment:
Revise the Public Services and Facilities Element to reflect the Fire Department's updated long-term station location plan, including the locations of Fire Stations #5, #8 and #9, and the removal of two Rincon Valley Fire Protection District facilities from Figure 6-3.

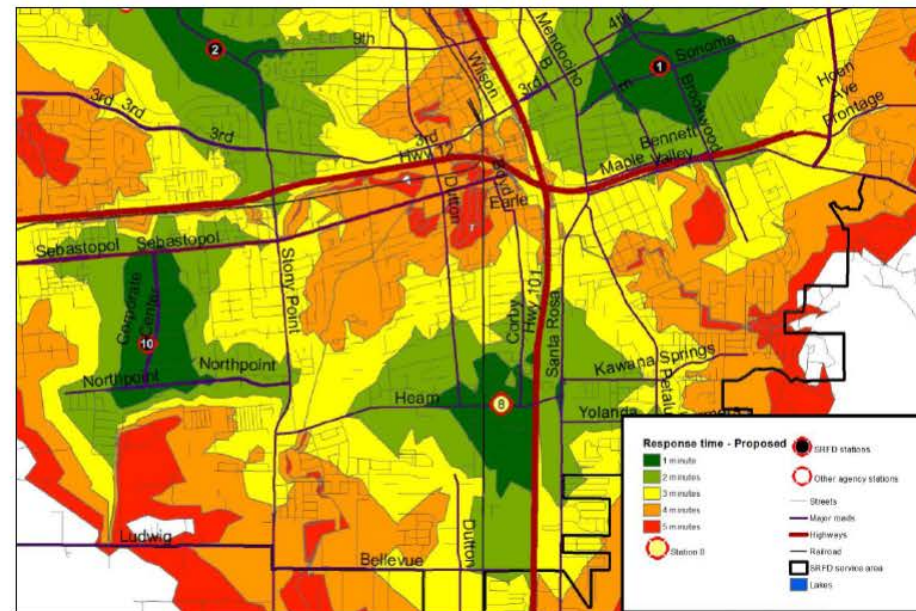

- 2016: Update of the Standards of Coverage and Deployment Plan completed, which identified the relocation of Station #8 and adjusted location for Station #9.
- 2017: Fire Station #5 was destroyed in the October wildfires. A temporary station is established on Parker Hill Road while plans to rebuild are ongoing.
- December 13, 2017: neighborhood meeting

South Santa Rosa Response Times

Current Response Times

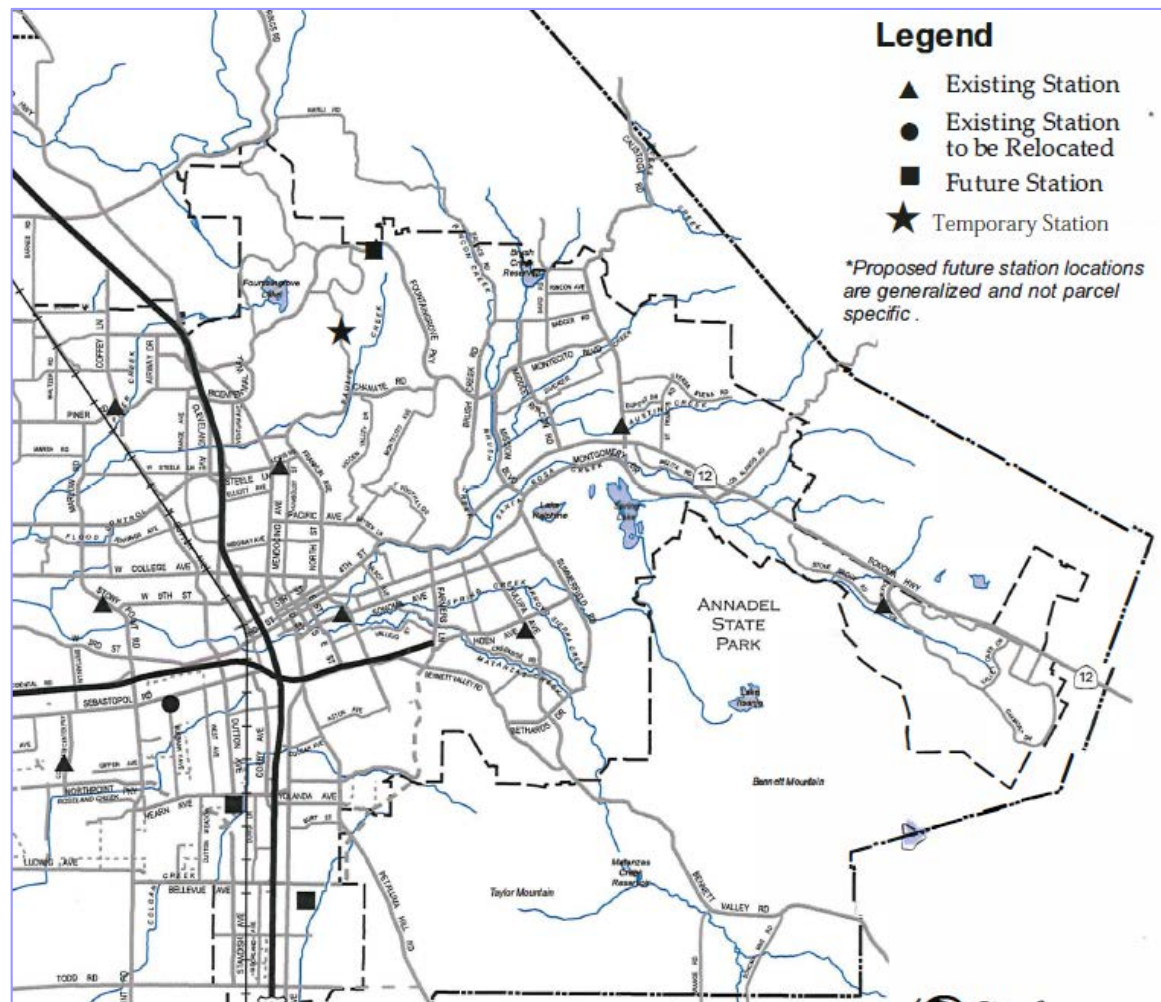

Proposed Response Times

General Plan Amendment

- Revise references to the proposed location for Stations #5, #8 and #9
- Update Figure 6-3

- December 13, 2017: neighborhood meeting
- Attendees prefer the existing location of Station #8 and hoped that the building could be preserved.
- No written comments have been received.

Environmental Review

California Environmental Quality Act (CEQA)

- Exempt from CEQA, §15061(b)(3)
- The project causes no direct or indirect physical change on the environment.
- The action addresses planned future development outlined in the General Plan.
- Development of future stations will require separate CEQA review.

It is recommended by Planning and Economic Development Department that the Planning Commission:

- Recommend that the Council approve an amendment to the General Plan, Public Services and Facilities Element, to reflect the Fire Department's updated long-term station location plan, including the location of Fire Stations #5, #8 and #9, and the elimination of two Rincon Valley Fire Protection District stations from Figure 6-3.
