Re Parcel No. 058-011-098

Dear Ms Murray

The traffic lights on Hopper Street approaching Cleveland Avenue were trouble before the fire. After rebuilding this will return. This Hotel needs a separate on and off ramp at the end of Airway Drive to prevent accidents from escalating. A 5 to 15 min delay needs take place, just to get on the Freeway. We don't need this again.

Thankyou

Donald Brandenburg
