BACKGROUND

Public Outreach

At the meeting on April 19, 2018, Staff and the Consultant discussed the updated project schedule tasks related to the public outreach component of the Plan Update 2018.

On August 29, 2017, the City Council adopted a Resolution of Intention, taking advantage of a legal protection that enables cities to have a say in district boundaries. On March 13, 2018, the Council narrowed its selection of draft district maps to six (6). On April 10, 2018, the Council selected the district-based map. The City will transition from at-large to district-based elections starting in November 2018.

ANALYSIS

The Board can take this opportunity to further discuss the public outreach component directly with the Consultant.

Staff and the Board can discuss the transition to district elections as it relates to the Plan Update.
